"MESSAGE FROM YOUR ER"

My fellow Elks,

The Brotherhood riders departed from the lodge this morning at 8 AM. These riders embody everything we, as Elks, cherish—Brotherly Love being their main focus. The group consists mainly of active-duty and retired firefighters, EMS, and police officers from across the

country. They dedicate ten days each year to ride and honor those who made the ultimate sacrifice while serving the public.

In his speech last night, Jeff Morse, the leader and co-founder of the riders, emphasized the importance of the Elks' support for their mission. He said that without our organization, their costs would go up, and they would have less money for surviving families.

Thanks to your generosity, we presented the riders with a check for \$1,000. We also provided them with a rib and chicken dinner, a shower trailer, overnight accommodation, and breakfast this morning.

I would like to personally thank all those who volunteered to assist during the riders' visit, from the dinner and breakfast kitchen crews to the servers, bartenders, and members who came to show their support.

This was a monumental group effort that showcased what Elks do. By opening our doors to an organization that supports our fallen heroes, we become part of the vital support these families desperately need and deserve. Congratulations, 1770 members! Once again, we are demonstrating that Elks Care, and Elks Share.

Fraternally yours, Cecil Broderick

ELK OF THE MONTH

This month's Elk of the Month is an individual who dedicated over 30 years to the Delray Beach Fire Department. He has been a member for 31 years and followed in his father's footsteps, achieving the highest levels within the department. Not only did he honor his father's legacy by sponsoring him to become an Elk, but he also commemorated him after his passing in 2019. We memorialized his father, Ret. Lieutenant Larry Garito, in an Elks fashion at our Lodge of Sorrow and during our Elks Memorial service that December. Both father and son have made significant sacrifices for our safety and have attended memorials for their fellow heroes who made the ultimate sacrifice.

Our Elk of the Month is always one of the first to volunteer when the Brotherhood Ride comes to our lodge. The Brotherhood Ride pays tribute to First Responders we have lost in our area, a cause that resonates deeply with him. I have witnessed firsthand his interactions with fellow First Responders during these events.

Lieutenant Larry Garito, Retd (1946-2019), may you rest in peace, knowing that your son and our Elk of the Month continues to embody the integrity, values, and love for his fellow First Responders that you instilled in him throughout his life and career.

Please join me, fellow Elks, in congratulating Captain Timothy Garito, Retd, our Elk of the Month!

The Founder and Purpose of “First In Last Out”

During his sophomore year of high school, Thomas DiBucci began pursuing his interest in firefighting by joining the local Fire Explorers Program. His involvement encompassed riding with station crew on emergency calls, participating in live training exercises, and competing with a team against other Fire Explorer Programs nationwide.

Thomas remained active in the Fire Explorers Program until age 21, subsequently serving as a supervisor for an additional year. He then interned as a Public Information Officer Assistant in a Palm Beach County Fire Department for one year.

Following this experience, Thomas joined a Fire Department in Broward County as a Firefighter, where he was elected to the Board of Directors.

Throughout his career in the Fire Department, Thomas demonstrated commitment to strengthening collaboration between firefighters and police. He also focused on ensuring that all first responders receive adequate support, including access to the necessary gear, tools, and equipment required for their safety while serving the community.

“MISSION STATEMENT”

Thomas DiBucci created “First In Last Out” a charitable organization which provides Firefighters and Police with gear, tools and equipment for low/ or no income First Responding Departments to help maintain Safety Standards while they are serving.

The Real Lynne Lavanco

Queen of Hearts big winner (left) Lynne Lavanco is surrounded and congratulated by Committee members Charlie Winter, Bill Rogers and Linda Dezic.

Retired private airplane pilot Lynne Lavanco is the epitome of what it means to be a great Elk.

This New Jersey native is our last Queen of Hearts “big winner”, claiming the \$33,257.00 prize on Oct. 3, and was also rewarded for her volunteerism and caring ways by being selected “Elk of the Month” in September.

She chose the lucky number “41” because she’d been married to her late husband, Carl,

that many years. They’d talked forever about traveling and going to Europe and that’s exactly what she plans to do with some of her winnings.

This Elk knows what it’s like to give back. For a couple of years now she quietly donates the \$5 lottery scratch-off ticket that the Committee gives away after the big drawing on Friday nights. She totally believes you must participate and get involved in supporting our Lodge.

Lynne is seen just about everywhere around here from bingo nights to the chili cookoff (which she proudly states she won one year), designing her hat for the Kentucky Derby party and giving her time and energy to the Activities Committee. She makes friends here, both old & new.

A Delray resident 18 years, Lynne also is involved outside the Elks with her Church, St. Vincent Ferrer, where she’s working on the “Barbginn”, a formal dance in January with proceeds benefitting Atlantic High School. Her Faith coincides with her desire to become our current Lodge Chaplain. A member that exemplifies true compassion. That’s Lynne!
