

DJOW

DJ TECHNICAL RIDER

Following the instructions of the technical rider is essential to ensure that the Megalodon experience is delivered to it's full potential.

These instructions constitute part of the contract.

Any proposed alterations to this rider must first be agreed by the artist representation before being made.

If you need further information or adjustments, please do not hesitate to contact us

DJ SHOW TECHNICAL SPECIFICATION

The following technical rider is a **MINIMUM** specification, if these specifications are not met this will result in **NO PERFORMANCE**.

DJ REQUIREMENTS

We will need from you:

- DJ BOOTH TABLE (Height 80 cm)
- Two (2) Pioneer CDJ-2000 **NEXUS 2** (or CDJ-3000N), linked via Ethernet hub
 - One (1) Pioneer DJM-900 **NEXUS 2**
 - Two (2) monitor speakers, adjustable through mixer (DJ BOOTH)
- One (1) Shure Wireless microphone or similar, connected via the mixer
- LAPTOP STAND

It is absolutely necessary for the show that the CDJ's and the DJM are **NEXUS** editions with fully functional USB ports

ADDITIONAL RIDER AND BOOTH SETUP INSTRUCTIONS

- All equipment must be in high quality and in full working condition without any defects and with presence of full connection which allows usage of all functions
- A professionally trained sound man on site for the entire set. Sound system must be up to the artist's standards (loud enough for the size of the room, clear sound, plenty of bass, no sound bleed from other stages or rooms). Artist reserves the right to have people removed from the stage during the performance.

- Stage area shall be stable and structurally safe.

SECURITY

The well being of artist's equipment is the promoter's responsibility when artist is not present. Promoter is responsible for the security of the equipment and assigning security guards to prevent theft or tampering.

SOUND CHECK

A sound check is not always necessary if the show has been advanced and cleared, however, in situations where clarification is necessary a brief sound check before doors open may be required.

THANK YOU.
