

COMPANY OVERVIEW

Opportunity Givers LLC is a community-based program provider delivering structured youth development, adult empowerment, and active wellness services throughout Broward County and Miami-Dade County.

We specialize in outcome-driven programming that supports students, adults, and older adults in building confidence, improving life skills, and increasing overall well-being. Our programs are designed to bridge the gap between education, personal development, and community engagement.

MISSION

To empower individuals and communities by providing accessible, structured programs that promote personal growth, academic success, and lifelong wellness.

CORE COMPETENCIES

Youth Development & Academic Enrichment (K–8)

- Life skills development (confidence, goal setting, emotional regulation)
- Academic motivation and study skills support
- After-school enrichment programming
- Small group academic support and mentorship

Adult Development & Workforce Readiness

- Life coaching and personal development programs
- Career readiness and goal-setting workshops
- Accountability and action planning systems
- Workforce development program support

Active Living & Community Wellness (Adults & 55+)

- Low-impact movement and mobility sessions
 - Balance and fall prevention programming
 - Mind-body wellness education
 - Community engagement and wellness events
-
