

# Important Covid Update Attending Meetings & Traveling With The Chicago Club

Dear Members, Travelers and Friends,

We are seeing more and more Village clubs, venues and destinations establishing vaccine and mask mandates for visitors. Recently Palm Springs joined San Francisco, New Orleans, Seattle and New York City in requiring all visitors to restaurants and other indoor venues in those cities to be fully vaccinated. The Orange County Performing Arts Center, Pantages Theatre, Disney Concert Hall and other Southern California venues, as well as some in Los Angeles, restaurants, have announced the same requirement and city/county leaders in Los Angeles, Ventura and San Diego are discussing vaccine mandates for their restaurants and indoor venues. With the FDA's full approval of the Pfizer vaccine, it is likely additional vaccine mandates will be put in place and our meetings and trips will soon be affected by such mandates.

To better ensure we can deliver to each of our members and guests the safe experience they expect, we have no choice but to now;

**Require that each member and guest attending our events and traveling with us after September 1, 2021;**

- **wear a mask, except while eating or drinking**
- **be fully vaccinated and show proof of such vaccination**
- **or show a negative Covid test results taken no longer than 72 hours before participating or attending the event or trip**

We know that in these uncertain times that by adding this requirement to our existing health and wellness measures; we can provide additional peace of mind to our members and guests,

First and foremost, know that we will continue to keep our guests' health, well-being and enjoyment our number one priority. These requirements are for everyone's benefit. If for any reason you are unable to comply with all these new requirements, we are asking you not to attend our events until the Pandemic has ended and these health requirements are no longer needed.

**We require that you bring the following to gain attendance to all our events and bus trips or you will not be allowed to attend the event or trip and no refunds will be given.**
