Jason Sulkin Music

Jason Sulkin, guitarist and vocalist Paul Zablidowski are skilled musicians from Los Angeles who have more than a decade of experience performing at hundreds of all types of events. They play everything from popular contemporary and classical music to jazz, rock, R&B, Latin and additional styles on guitar. Their repertoire includes everything from Bach to The Beatles to Bruno Mars, from popular contemporary favorites to traditional classic songs.

Steve Mittleman is a comedian extraordinaire. His talent has earned him a enviable reputation on the Los Angeles comedy circuit. Steve is a regular guest on "Late Night" and "The Tonight Show." He headlines at all major comedy clubs and was featured in "Roxanne" with Steve Martin and Woody Allen's "Radio Days." You will remember Steve Mittleman as the guy "with no chin" and great comedic timing. His comedy routines are hilarious and "squeaky" clean and his improvisational skills are excellent! Rosie O'Donnell vs. Mittleman on Star Search! With only two minutes to make an impression, Steve competed against Rosie, who had won on Star Search multiple times. In a way, he says, that gave him a lucky break. "I think she had won...I don't know...eight, nine, ten times, and she was starting to run out of material," he said. Steve won their face-off, and has continued a career as a stand-up comic. But the consistent exposure O'Donnell had already gotten, he says, is what gave her the real payoff.
