

OSHA & INFECTION CONTROL FOR ADMIN TEAMS

FEBRUARY 26, 2026

Twin Cities Dental Executives Connect is excited to welcome Deanna Otts-Whitfield to our February 26 meeting.

Deanna is a seasoned dental professional dedicated to oral health education, patient safety, and regulatory compliance. With over 16 years of industry experience, Deanna now serves as a compliance consultant with Copper Penny Consulting, helping dental teams strengthen safety and quality systems. She is an active professional leader, author, and speaker and is recognized for making complex regulatory topics practical and engaging.
