Following an application for a variance:

a) Declarant shall call a meeting of Owners of lots in the Subdivision, to be held at Declarant's principal office, notice of which meeting shall be given to the Owners at least twenty (20) days in advance, at which meeting all owners shall have the opportunity to appear and express their views.

- b) Whether or not anyone appears at the meeting in support of or in opposition to the application for a variance, Declarant shall within one (1) week after the meeting either grant or deny the variance.
- c) A variance granted hereunder shall run with the lot or building site for which granted.
- d) If a variance is denied another application for a variance for the same lot or building site may not be made for a period of one (1) year.
- e) A variance shall not be granted unless Declarant shall find that all of the following conditions exist:
 - i. The variance will not authorize the operation of a use other than private, single-family residential use;
 - ii. Owing to the exceptional and extraordinary circumstances, literal enforcement of the Sections above enumerated will result in unnecessary hardship;
 - iii. The variance will not substantially or permanently injure the use of other property in the Subdivision;
 - iv. The variance will not alter the essential character of the subdivision;
 - v. The variance will not weaken the general purposes of these covenants;
 - vi. The variance will be in harmony with the spirit and purpose of these covenants;
 - vii. The circumstances leading the applicant to seek a variance are unique to the lot or building site or its owner and are not applicable generally to lots in the Subdivision or their owners.

DECLARANT'S SUCCESSORS AND ASSIGNS.

Section 202.

- a) Ten years after Declarant first conveys a lot in the Subdivision to a purchaser or at such earlier time as Declarant may choose, Declarant shall transfer all of its functions, rights and powers of granting or withholding approval, permission or consent and its other functions, rights, and powers under Sections 102, 103, 107, 108, 114, 115, 116, 117, 118, 119, 122, 134, 135, 136, 137, 138, 139, 140, 141, 142 and 201 and its responsibilities under Section 143 to an Architectural Control Committee of three (3) members, each of whom shall be an Owner of a Lot in the Subdivision; or the Owner of a lot in such other single-family residential subdivisions in the same general area as are determined by Declarant to contain lots substantially similar in size, character and value to Lots in the Subdivision; or an officer, director or employee of Declarant.
- b) Thereafter any one or more members of the Architectural Control Committee may from time to time be removed and their successor or successors designated by an instrument signed and acknowledged by the Owners of at least 50% of the lots in the Subdivision and filed for record with the County Clerk and Recorder of El Paso County.
- c) The Architectural Control Committee may delegate to one of its members any or all of the functions and powers of the committee and until such delegation is revoked or modified the action of the member to whom such elevation is made shall constitute the action of the committee for the purposes of these covenants.
- d) The committee may take action without a meeting by a written statement signed by the members of the committee or by their delegate.
- e) Vacancies in the Architectural Control Committee may be filled by action of the remaining member or members of the committee, subject always to the power of the Owners to remove and designate members of the Architectural Control Committee pursuant to Section 202.
- f) Declarant, or its successor Architectural Control Committee, may, if it determines such action to be in the best interest of the Owners, cause the Architectural Control Committee for the subdivision to be merged with the Architectural Control Committees of other single-family residential subdivisions in the same general area that contain lots of substantially similar size, character and value as Lots in the Subdivision. Such merger shall be accomplished by filing with the County Clerk and Recorder of El Paso County a written document signed by Declarant, or by the Architectural Control Committee for each subdivision participating in such merger, acknowledging the action and appointing an Architectural Control Committee for the merged group. Thereafter, all functions of the predecessor individual Architectural Control Committees will be performed by the new merged Architectural Control Committee, and the substitution of members provided for in Section 202(b), will require action by 50% of the owners of lots in all of the subdivisions in the merged group.

OFFICERS AND AGENTS EXCUSED FROM LIABILITY.

Section 203. Declarant, the officers and directors, members and agents of Declarant, and the members of the Architectural Control Committee shall not be liable to any party whatsoever for any act or omission unless the act or omission is in bad faith and amounts to fraud.

DECLARANT CAN REMEDY VIOLATIONS

Until the time for establishment of the Architectural Control Committee as provided by Section 202(a), Declarant may, and after its establishment the Architectural Control Committee or Declarant, including an assignee or delegate, may give notice to the Owner of the lot where a breach occurs or which is caused by the person or persons responsible for the breach, which notice shall state the

period stated in the notice, not less than five (5) calendar days, the breach is cured and terminated or appropriate measures to cure and terminate are begun and are thereafter continuously prosecuted with diligence. If the breach is not cured and terminated as required by the notice of the Committee or Declarant (whichever gives the notice) may cause the breach to be cured and terminated at the expense of the Owner or Owners so notified, and entry on Owner's property as necessary for such purpose shall not be deemed a trespass. The cost so incurred by the Committee or Declarant shall be paid by the person responsible for the breach and if not paid within thirty (30) days after such Owner has been sent notice of the amount due, such amount, plus interest at the rate of twelve (12%) per annum and plus cost of collection, shall be a lien on the ownership interest in the lot (including improvements thereon) of each person so notified and shall in all respects be the personal obligation of the Owner. The Committee or Declarant may bring an action at law for recovery of the costs so incurred by it, plus interest and cost of collection against the Owner personally obligated to pay and may bring an action to foreclose the lien against the lot and improvements subject to the lien and there shall be added to the amount of such obligation the cost of preparing and filing the complaint in such action, and the judgment in any such action shall include interest as above provided and a reasonable attorney's fee to be fixed by the court, together with the costs of the action. The foregoing specified right and remedies shall not limit the right of any lot owner to enforce these covenants as otherwise may be provided by law or equity.

Section 305. Except as these Covenants may be amended or terminated in the manner hereinafter set forth they may not be waived, modified or terminated and a failure to enforce shall not constitute a waiver or impair the effectiveness or enforceability of these Covenants. Every person bound by these Covenants is deemed to recognize and agree that it is not the intent of these Covenants to require constant, harsh or literal enforcement of them as a requisite of their continuing vitality and that leniency or neglect in their enforcement shall not in any way invalidate these Covenants or any part of them, nor operate as an impediment to their subsequent enforcement and each such person agrees not to defend against enforcement of these Covenants on the ground of waiver.

RIGHT TO ENFORCE THE COVENANTS.

Section 306. These Covenants are for the benefit of the Owners jointly and severally, and Declarant and may be enforced by action for damages, suit for injunction, mandatory and prohibitive, and other relief, and by any other appropriate legal remedy, instituted by one or more Owners, Declarant, the Architectural Control Committee or any combination of them. All costs, including reasonable attorney's fees, incurred by Declarant, or the Architectural Control Committee in connection with any successful enforcement proceeding initiated by Declarant or by the Architectural Control Committee (alone or in combination with Owners) shall be paid by the party determined to have violated the Covenants.

DURATION OF RESTRICTIONS.

Section 307. Except for Sections 111 and 112, all of the provisions of these Covenants, unless sooner terminated as provided in Section 308 or Section 309 shall remain in force until the year A.D. 2041 and shall be automatically renewed for successive periods of ten (10) years unless before the year 2041 or before the end of any ten-year extension there is filed for record with the County Clerk and Recorder of El Paso County an instrument stating that extension is not desired, signed and acknowledged by the Owners of at least one-half (1/2) of the lots in the Subdivision.

AMENDMENT, TERMINATION AND EXTENSION.

Section 308. From time to time any one Section of these Covenants (except Sections 110, 111 and 112) may be amended or one new Section may be added to these Covenants by an instrument signed and acknowledged by the Owners of at least two-thirds (2/3) of the lots in the Subdivision and filed for record with the County Clerk and Recorder of El Paso County.

Section 309. All Sections of these Covenants (except Sections 110, 111 and 112) may be terminated at any time, and from time to time any two or more Sections of these Covenants (except Sections 110, 111 and 112) may be amended or two or more new Sections may be added to these Covenants by an instrument signed and acknowledged by the Owners of at least three-fourths (3/4) of the lots in the Subdivision and filed for record with the County Clerk and Recorder of El Paso County.

PROPERTY RIGHTS REMAIN.

Section 310. Sections 110, 111 and 112 concern property rights which can be changed only by conveyances, releases or other appropriate legal instruments executed by those to whom such property rights belong.

SEVERABILITY.

Section 311. If any of these Covenants shall be held invalid or become unenforceable the other Covenants shall in no way be affected or impaired but shall remain in full force and effect.

ACTION IN WRITING.

Section 312. Notices, approval, consents, extensions, applications and other action provided for or contemplated by these Covenants shall be in writing and shall be signed on behalf of the party who originates the notice, approval, consent, applications or other action. Permission, consent or approval of Declarant or the Architectural Control Committee under these Covenants is not effective unless in writing.

NOTICES.

Section 313. Any writing described in Section 312, including but not limited to any communication from Declarant or the Architectural Control Committee to an Owner, shall be sufficiently served if delivered by mail or otherwise: a) to the dwelling situated on the lot owned by that Owner; or b) if there is no dwelling, then to the address furnished by the Owner to Declarant or the Architectural Control Committee and if the Owner has not furnished an address, then to the most recent address of which Declarant or the Architectural Control Committee has a record.

INTERPRETATION OF COVENANTS.

Section 314. These Covenants are intended to be interpreted in a manner that will provide for the preservation of the values and amenities of the Subdivision. In the event that it is necessary to interpret the meaning of any word, paragraph, term or provision of these covenants, the determination of the Declarant shall be final and conclusive. In interpreting the architectural standards set forth in these covenants, it is acknowledged that the Declarant may be required to exercise its discretion concerning the architectural standards and control within the Subdivision. The fact that the Declarant has exercised Declarant's discretion with respect to one Lot or property in the Subdivision is not a guarantee that Declarant's discretion will be exercised in the same manner with respect to other Lots or properties in the Subdivision. It shall be presumed that the Declarant has at all times exercised the discretion of the Declarant in a reasonable manner. Certain of the matters concerning architectural standards as are set forth in these covenants are intended as guidelines, and the fact that an Owner believes that the Owner has complied with the guidelines shall not guarantee that the Declarant will approve such matter. The determination of the Declarant as to whether the architectural standards set forth in these covenants have been met shall be final and conclusive. In the event that any person or entity brings an action or proceeding challenging any action or interpretation of the Declarant under these covenants, then it shall be the burden of the person or entity challenging the actions or interpretation of the Declarant to establish beyond a reasonable doubt that the Declarant has acted in a manner that is arbitrary and capricious. In the event that the powers of the Declarant are transferred to an Architectural Control Committee in accordance with the provisions of Section 202 of these covenants, then the provisions of this section shall be applicable to the Architectural Control Committee to the same extent as this section provides for the Declarant.
