

AMBASSADOR PROGRAM

Howie Doin Roger That Racing is honored to announce that the inaugural ambassadors for the program are Seth and Levi Bendle. Both of these 16 year old flat track racers have shown exemplary riding skills on the track and excellent demeanor off the track. They, both, have expressed a strong desire to give back to the sport and we couldn't be more grateful to have them aboard as we navigate all of the positive initiatives that this new program can provide for the sport, riders, and community around us. We look forward to spreading the wide open gratitude mantra with Bendle Bros Racing in the off season and for the 2024 season. We will be posting updates on hdrtracing.com as the program progresses, so stay tuned.
