POST OKAYS PLANS

At one of the best attended meetings in recent years, last month, approval was voted unanimously to go ahead with plans to undertake improvements at the Post. More than a tenth of the Post membership was present. That sets some kind of a record. A report and recommendation of the Board of Directors for renovation of the building and its facilities was read by the Board Chairman, Harold Barkhuff. The move to accept the report was made by Gerald E. Rowley and quickly seconded. After extended discussion on questions of financing and other refinements of the report the move to accept the report was approved without objection.

This action was followed by a move to authorize the Board of Directors to approve expenditures up to twenty-eight thousand dollars to carry out the recommendations of the Board of Directors for improvements of our Post Building.

With the action by the Post membership completed, arrangements were made for Weber Brothers Construction Company to go ahead with the work. Bill Weber, like the other bidding contractors, are members of the Post. The Weber Co. came in with the lowest bid.

Approval by the State Liquor Authority is being awaited before the alteration work can go forward.

For this major action in the advance of Blanchard Post recognition is due the entire Board of Directors. Those members with Harold Barkhuff are Al Greenwood, Dick Lenseth, Given Hynds, Bill Segur, George Wenger, Herb Drew, Bill Johnston, Bud Mosmen, Commander Fryer and Finance Officer Bill Hayes.

This is the Report presented by the Board of Directors:

Report and Recommendation of The Board of Directors for Renovation of Building and Facilities.

For several months your Board of Directors has been studying plans for the renovation of our building coupled with requests from many members of the Post for improving our grill room facilities.

Foremost in the plans was replacement of the stairs from the parking lot to the basement and the stairs going down from the main floor. Both of these are definite hazards. Many people have fallen and been injured. Fortunately we have not been confronted with law suits.

Many plans have been considered, from doing only the necessary work to enlarging the entire building and even to the construction of a new building. Enlargement of the building was estimated to cost in the neighborhood of \$65,000 which was not considered economically sound. New construction would run from \$100,000 to \$125,000 or perhaps more.

It was the consensus of the Board that we proceed on a moderate plan, so arranged that if considered feasible at a future date, additions can be made. The plan approved by your Directors has been prepared by Mr. Charles Schade, architect. It will provide:

1. — a new modern rear entrance at ground level with stairs to the basement and to the main floor, and provision for cloak rooms.
2. — removal of the present stairs from the main floor to the basement and replaced with new ones which will be wider and not so steep.
3. — install drainage along the west wall of the basement to prevent flooding of the floor during wet periods.
4. — relocation of bar and elimination of present unsightly old kitchen.
5. — removal of the present partition of the old boiler room and after renovation of the area, install a new bar with all modern facilities.
6. — in a part of present old kitchen area provide space for a ladies room.

In the course of this work much expense is involved in moving partitions, installing new plumbing, slightly modifying our present heating system to provide heat in the new entrance and install new lighting for the bar and entrance. It will require dismantling the fire place in the squad room which is supported by uprights in the old boiler room. Bids have been received from several contractors, all members of the Post, covering the work. Low bids are as follows:

General construction	\$15,780.00
(Weber Brothers)	
Electrical Work	746.95
(Burr Deitz)	
Plumbing and Heating . . .	1,600.00
(Farrell Bros.)	
New bar	4,500.00
Architect fees and	2,400.00
miscellaneous	
Total	\$25,026.95

Aides-de-Clams

Sharing in the effort to make the World Series Day Clam Steam a good one will be Al Davies, Russ Adams, Dick Lenseth, Tom Potter, and Bob Strickland. Chief Steam is Hank Voorhees. Steak has been removed from the menu. Door prizes, beer and eats — all you can consume — and may the best team win — will be the order of the day.

You may ask why such work was not done during the summer months. The answer is that the plans were not ready at the last Post meeting in June and our by-laws prohibit calling a special meeting during July and August for the expenditure of monies. The delay did however provide time to secure bids and thereby give us a definite cost. It is recommended by your Directors that a fund raising campaign be conducted to cover as much of the construction cost as possible in order to relieve the Post of such burden and to save a considerable amount of money which would be paid in interest charges.

The Board of Directors submits this report and recommendations to the membership of the Post for their approval in accordance with the By-laws of the Post.

H. C. BARKHUFF, CHAIRMAN
Board of Directors,

MARY'S CORNER

Next meeting of the Auxiliary will be held on Tuesday, October 16 at 8:00 p.m. — but we can't definitely tell you where. If alterations to the Post Rooms have not been completed, it may be necessary to find another place for this one meeting. We'll try to let all members know by newspaper publicity if a change is necessary.

At the September meeting, the members attending saw the new slate of officers installed by Mrs. Robert Hurley, as follows:

President Mrs. Mary Conner
 1st Vice Pres. ... Mrs. Arthur Quinn
 2nd Vice Pres. ... Mrs. Viola Knapp
 Treasurer Mrs. Herbert Hafley
 Rec. Secy ... Mrs. Thomas Spinosa
 Cor. Secy Mrs. Patrick Igoe

Mrs. Ada Turner was named Chaplain, Mrs. Richard Dalton was named Historian, and again this year Mrs. William Flint is Sergeant-at-Arms.

The Executive Committee is as follows: Mrs. Mabel McCredie, Mrs. Esther Cooke and Mrs. Donald Wilcox, 3 years; Mrs. Leroy Cooke, Mrs. Peter Schaming and Mrs. Robert Hurley, 2 years; Mrs. Otto deHeus, Mrs. Stanley Klett and Mrs. Arnold Mosmen, 1 year, and Mrs. Harold Barkhuff for 1 year by virtue of her office.

Mrs. Mary Conner, Mrs. Esther Cooke, Mrs. Leroy Cooke, Mrs. Herbert Hafley, Mrs. Donald Wilcox and Mrs. Harold Barkhuff were selected to represent the Unit at Albany Co. Auxiliary meetings.

The membership presented a gift to Chris in appreciation of her loyalty and devotion to the Unit. Chris' family presented her with a lovely corsage in the Auxiliary blue and gold colors in honor of her retirement from office. Mary Conner, our new president, was proudly wearing an orchid.

Sorry to report that because of the building repairs, it was decided to cancel the October card party. We were all sorry that we weren't going to have the opportunity to see Anne McGoey's lovely hats and accessories from her shop at the 4-corners. However, we're hoping Anne will present them at another time.

Our Girls Stater, Jennifer Flinton, and her mother were guests at the September meeting and we enjoyed Jennifer's account of her experiences.

Maud Hafley has been appointed by our new Department President, Mrs. Robert Johnson, as Department Hospital Workers Chairman.

AUXILIARY DUES of \$2.50 are due. Again this year, Mrs. Leroy Cooke (Norrine) will be membership chairman. Collecting the dues each year is a tremendous job, and we ask each member to cooperate by sending dues promptly to Norrine, leaving them at the Post or with an Executive Committee member. We'd like to make our quota early this year, to be eligible for a Department citation. At the October meeting, Esther Cooke will read the 1961-62 History.

Sick Call

Fred Vogel returned to Albany Hospital last month. He's in Room K315. Stop in and give him a cheer.

Don Sauntry was in a bad car accident this Summer. He's up and around but still feeling the effects of it.

Art Quinn skidded on the duckboards at the Post's Grille Room last month and suffered an injured leg which confined him to his home.

Charles E. Walsh is confined to Albany Hospital.

Drive Carefully

The idea for a new American Legion highway marker began two years ago by Given Hynds became a reality last month when Comdr. Rodger Fryer assisted by Past Comdr. Bert Kohinke, our Town Supervisor, set up the marker on the west side of Delaware near Elsmere Avenue.

Helping set the marker were Past Comdr. Al Woehrle and an assist came from Al Hilchie who loaned the marker setters a posthole digger. Ed Costigan with his Polaroid recorded the event for posterity. Ken Lenseth who helped in the arrangements for the new sign was unable to attend the ceremony.

Octoberfest

When he returns get Bob Edwards to tell you his experiences at the annual beer festival he's attending in Germany. Bob, a Blanchard member, has the Ruch and Edwards Inc. beer distributing agency.

FIRST CALL

The first call for 1962-63 membership dues is being issued by Membership Chairman-Vice Comdr. Charles O'Hara this month. At the beginning of each Legion year the quota for the Membership Chairman seems an almost impossible one to attain. In recent years, however, Blanchard Post has continued to gain. This year the goal is 718 members. At this time Chairman O'Hara and Commander Fryer are asking everyone who can do so to return their membership renewal form and dues promptly, because the quicker our Post attains its membership quota, the faster it will bring new honors to the Post for its membership response. To each Blanchard member, Commander Fryer says: "I look to you to promptly pay your dues and make yourself an active Legionnaire by securing at least one new member for our Post."

Green Flag Chairman

Comdr. Fryer has named Lloyd G. "Barney" Greene as the Post's Flag Chairman. In accepting the chairmanship, Barney mentioned two matters that have to be given prompt attention. "First", said Barney, "there are too few American Flags being flown in our Town on Holidays. I intend to do something about that. Also on the matter of the Flag at the Post being lowered at sunset, I am calling on all of our members to keep in mind, if they pass the Post at sunset and see the Flag is still flying, they should assume the responsibility of seeing to it that the Flag is taken down, brought inside the Post and folded in the usual tri-corner style for the night."

Barney reminds everyone that the Post has a supply of Flag kits for \$4.40 per set. Call him at HE 9-1290 or go to the Post and get the Flag set.

ODE TO A DOUGH - BOY

Veterans Day, I am sure, will bring back to many Americans young and old, memories of wars in which we fought, long ago, and not so long ago.

My thoughts go back to a day in November 1918, the eleventh to be exact, when word that an armistice had been signed, came to us, at our gun pits, in Death Valley, Verdun, France. Subsequent orders were to move our 75's to Bois de Thierville, a small town on the outskirts of Verdun. From there the Regiment moved southward, staging nightly at towns along the route. The Meuse-Argonne Offensive had badly depleted our ranks of men and animals. Heroes without medals, those fine horses and mules who lay dead under the cold November rain, their stiffened carcasses victim of shell fire and exhaustion. Suffering had been their common lot, the clinging mud, the sodden ground at picket lines, the cold nights, the lack of fodder, shell fire and air raids, they had endured, to the very end.

On December 20th, we eventually reached our destination, one of many on our long way home: Varennes-sur-Amance, and here we were billeted until the third week in January. What a relief to know that this war was over! Men who, a few weeks before had been returning from the front lines colorless gray as the lice in their shirts, were living again, ruddy of face, and with hopefulness in their eyes.

General orders had shattered our hopes of being home for Christmas, so we settled down to make the best of it;

however, this was not to be an uneventful holiday. President Wilson, in France for a Peace Conference, had expressed a desire to review the 26th Division, and have dinner with the men.

The original plan was for the President to drive along a designated route inspecting the different units at attention. After the inspection, he was to proceed to Montigny-le-Roi for dinner with men of the 26th Division.

For those units who stood at attention, the less said the better. They were not reviewed, and after several hours of a cold bleak day, they were dismissed.

President Wilson did arrive at Montigny-le-Roi with his entourage, and I am sure little did he realize, the amount of effort and preparation his arrival had meant to the Division.

Food was scarce; our Mess Sergeants had combed the countryside for the makings of a meal to set before a President. What a meal it was, for I was there, and I have before me the original menu. Everyday fare to many of us now, but then sheer luxury:

Chicken	Celery	Turkey
	Dressing	
Mashed Potatoes	Mashed Turnips	
	Bread and Butter	
	Cranberry Jelly	
Pumpkin Pie		Cake
	Cigars and Cigarettes	

And although this event took place forty-four years ago, I do not think that any of us who were there will forget it.

I am sure that those who watched the President eat his meal in silence will never know if he enjoyed his dinner, for when he had finished, he arose from the table, and without a nod, or a thank you, left the hall, and so ended the memory of another Veterans Day.
