DELMAR, NEW YORK

DECEMBER 1962

## DECEMBER DOINGS

Because of the alterations going on at the Post, this year's seasonal programs have been dropped. But with the work going along on schedule, our Activities Chairman and Vice-Comdr. Bill Flint have a full schedule of events set up for this month.

On Saturday, December 1, there will be the annual Tinsel Ball which will also be combined with an "open house" for all to have a first-look at the new entrance, new lower level and the other improvements which have been made at the Post. Co-chairmen for the event are Jules Aupperle and Howard Lockhart. Publicity and music arrangements are by Ken Stinson with Doc Stan Klett, George Feiden and John Blanchard lending their efforts to make this a grand opening affair.

Santa's helpers this year for the Children's Christmas Party on Saturday, December 15 at 1:00 p.m. will be Clarence Lephart, Earl McGuirk, George Butman, Jim Williams, Bill Mitchell and Warren Moessner. The program will have movies, treats and a personal visit by Santa Claus who will give a gift to each kiddie present. This party is a community event and Post members are encouraged to send their own children and invite their neighbors' children to the Post. The Christmas Party Committee will accept all the help other Post members wish to contribute to make this occasion the best ever.

That same evening, Saturday, December 15, at 7:00 p.m., will be the time for another annual big turn-out at the Post, the Christmas Egg Nog Party for Post members and their guests. Co-chairmen are Joe Von Ronne and Bud Mosmen and their wives. Blanchard Auxiliary members Grace Von Ronne and Kay Mosmen are arranging the buffet table, which is sure to be a masterpiece. Bill Segur with Al Greenwood and 'Doc' Piazza are on the committee to keep the egg nog bowls filled. Other committee members are Jim Williams and Edward Starkweather. This should be a good occasion to introduce prospective Blanchard Legionnaires to our Post and get them signed up as members.

It may be out of season, but a party to do honor to the Blanchard Post baseball team is set for Thursday, December 27 at 7:00 p.m.

## BLANCHARD POST PROMOTING MEDIC-ALERT PROGRAM

Post Comdr. Rodger Fryer announces the appointment of a committee to carry out the aims and activities of a community project sponsored by The Medic-Alert Foundation International, a non-profit organization.

An idea approved by the Post Affairs Committee, the purpose of Medic-Alert is to make available to the public a means of identification of individuals who, in the event of an emergency, require special medical attention. This is accomplished by encouraging those individuals to carry on their persons at all times (similar to the Armed Services members' "dog tags") a metal emblem which has emblazoned in red on the face of it "Medic-Alert" with the symbol of the medical profession and on the reverse side the medical problem by which the individual is affected. Such persons as diabetics, contact lens wearers, those allergic to penicillin, anti-coagulants user, etc., would be the principal recipient of this service.

To start off the program, Comdr. Fryer has appointed Royce Day and John De Mallie, co-chairmen, with Dr. Thomas Piazza of the VA Hospital and Vincent

P. Herzog as advisory members of the committee.

The Foundation maintains a 24-hour central file. It accepts collect calls from anywhere in the world, relaying information from the file pertaining to the wearer of its identifying emblem. Each tag bears the central office telephone number and a serial number which is registered at the central office. These medical identification emblems generally are worn close to the neck or wrist. The educational trend of this program is to have everyone aware of these emblems to look about the necks and wrists of unconscious persons to see if they are wearing the Medic-Alert tag.

As their program develops, Chairmen Day and De Mallie will report to the membership. Comdr. Fryer calls upon the entire membership to give this program all the support it deserves. He stated: "The success of this program in our Post will bring to fulfillment another point of the Preamble to the American Legion's Constitution. That is 'to inculcate a sense of individual obligation to the community, State and Nation'."

## MARY'S CORNER

Christmas party time for the Auxiliary will be Tuesday, December 18th, at 6:30 p.m. in the newly-renovated Post Rooms. Don't forget to bring a \$1.00 gift for the grab bag.

Lee Hurley is chairman and will be assisted by Helen Quinn (HE 9-4740), and Norrine Cooke (HE 9-3057), reservations; Lottie Van Dyke, decorations; Norrine Cooke and Angel Feiden, entertainment; and Esther Cooke, Mary Conner and Lee Hurley, dining room. The Executive Committee will call members for reservations, but it would help if you telephone first.

Don't forget Open House at the VA Gift Shop on Sunday, December 2 from 2 to 4 p.m. All Auxiliary members, Legion members, their families and friends are invited to attend.

A dinner honoring the past Albany County Chairman, Miss Anita Myers, was held at Jack's Restaurant on November 1st, and featured a roast beef dinner. Our President, Mary, Mrs. Holmes and Chris Barkhuff attended. Maud Hafley was a distinguished guest.

And, we're going to say it and say it —Dues are still outstanding. How about that remittance of \$2.50??? and that would help to make Norrine Cooke's Christmas season a success if she could say, "quota reached".

Chris Barkhuff has a reorder of the delicious Katherine Beich candy available at \$1.00 and \$1.50.

Last Man's dinner will be December 8 with the Auxiliary catering. Mary is making the arrangements.

A Holy and Happy Holiday season is wished for all.

## COMMANDER'S MESSAGE

It doesn't seem possible that six months have gone by since I assumed my duties as Commander. During these six months we have all been busy working on committees, attending meetings, making phone calls, stopping at the Post to see our friends, etc.

Last spring when I accepted the honor to serve as Commander, there were naturally many questions that ran through my mind concerning the coming year. Probably the one big thought that plagued me as a novice as I thought of the job ahead, was how would it be possible to find the manpower to successfully continue all of the Post's Legion, Civic and Social activities.

It didn't take me long to learn that this is probably the least of a Commander's worries here at Blanchard Post. By fact and reputation, our Post is undoubtedly one of the most active in the Department. I shall never cease to be amazed at the tremendous spirit and co-operation that the membership gives when called upon to perform some duty. Regardless of what it might be, the officers and myself have learned that when

there is a job to be done we can count on each and every member to pitch in and help. The cooperation is tremendous and we can all be proud of the spirit that prevails.

Up to this point in the new Legion year, we have not been able to carry on our normal social events due to the building renovations. However, during the next six months we will be operating normally once again and we can all look forward to not only the work that must be continued, but also renewing old acquaintances and getting better acquainted with many of our new members and their wives at our social affairs.

I am sincerely grateful to all those who have helped in carrying on the Post programs and shall look forward to your continued support.

Best wishes for a happy holiday season and a healthy and prosperous New Year.

RODGER J. FRYER  
 Commander

## 1/28th OF THE WAY

As of this writing Fund Raising Chairman Barney Greene reports that the first thousand dollars in cash and pledges have been received in the Post's campaign to meet the estimated \$28,000 cost of renovations.

At the regular meeting of the Post last month the question came up as to how much each one should be expected to pledge. It was determined that if everyone could equally share the cost it would mean, with a membership of 718, about \$40.00 per member. Of course, we all know that there will be those whose financial status will not permit them to contribute anything to this cause. Yet there are those who can and will give or pledge considerably more than the average. "The important point is," says Barney, "that even the smallest contribution in cash or pledge will help to keep our indebtedness at a minimum."

If you didn't get around to taking action on the blue-slip Greene sent last month let this serve as a reminder to return your pledge amount to the Post. Your contribution in the form of a check or money-order — or even cash left at the Post will hasten the elimination of the Post's financial responsibility. Perhaps you've misplaced or inadvertently cast away Greene's blue note. In that event fill in these blanks and send this copy of your 1040 TIMES to the Post:

## MEMBERSHIP MEMO

By the time this issue reaches you we will have passed the 500 mark in paid-up memberships for 1963. Renewals are coming in fine but we do need to fortify ourselves with more new members on the way to our quota of 718. In this connection, and with your help, we would like to try something new that we dreamed up along the way. This is an idea which we feel sure will appeal especially to those of us who shy away from asking others to join, or take a chance on anything. And at the same time it should enable us to reach those members we do not see at meetings or around the Post.

What we would like to have all of you do is send the names of eligible veterans to the Membership Chairman, Charles J. O'Hara, 119 Orchard Street, Delmar, or telephone Charlie if you wish at HE 9-4076. He'll do the rest by sending each a personal letter inviting them to join, without mentioning your name.

Please don't be conservative — we're prepared to handle all you send. Remember that a strong Legion in this, or any community, is a vigilant force for Americanism and patriotism. And that is the only image that the international gangsters understand — Strength.

Another very timely thing to keep in mind is that our present remodeling program is a two-sided coin, it's an added selling point in our membership campaign, and in thus increasing membership we will improve our financial position and ease the per capita responsibility. So we'll leave you with three thoughts for the month: —

1. Pay your dues, if you have not already done so, and save your post the \$.50 per capita increase which becomes effective on Jan. 1st.

2. Submit the names of eligible candidates as indicated above—Charlie will carry on from there.

3. Visit the post sometime during December and enjoy the holiday season in our beautiful new surroundings.

## THEN and NOW

For those who could not attend last month's Rededication Services at the Town of Bethlehem Veterans Memorial Park on Veterans Day, they should know they missed a colorful and impressive ceremony.

Despite an overcast sky and chilly winds, those who did attend the services and withstood the chill of the fall November day, were surely warmed by the symbolism of the occasion. They also received a copy of the program which will always serve as a souvenir for the occasion. For all Post members to see what it looked like, here is the text:
