DELMAR, NEW YORK

NINTH EDITION

APRIL 1965

## THANK THEE, LORD

As Korean Vets we can look back 15 years; as World War II Vets up to 25 years and World War I Vets nearly 50 years. In any of these conflicts, we will remember how the Holy Spirit held our attention through the Chaplain or at religious rites. Then we felt we very much needed the Lord. And how often He seemed to respond to our needs.

For this we give Him thanks. As an occasion for this thanksgiving the American Legion encourages its Posts to set aside one Sunday of the year. Blanchard Post continues this tradition by setting Sunday, April 4 for this year's "Back to God" event. Again it will be a breakfast at which the Post members in the Post vicinity are urged to attend. To foster and spread this spiritual light, the breakfast is open to the sons and male relatives, neighbors and friends of our Post members.

To our members not in the vicinity of the Post Hall, they are invited to be with us in spirit.

The important step on that day is to give thought to attending your House of Worship. Commander O'Hara invites all who attend St. Thomas Church to join him in a group at 7:00 a.m. Mass. He is hopeful that the church members of the other religions in our community will arrange for similar group attendance. In this way can the spirit which exists between American Legion members and their places of worship be highlighted.

Chairman for the breakfast is Past Commander, William Johnston. For our guest speaker we shall have Father Alan Jupin of St. Thomas Catholic Church, Delmar. President Irene White and the Auxiliary members will again prepare and serve the breakfast which begins at 8:00 a.m. Tickets for the event are \$1.00 and can be secured from any of the members of the Breakfast Committee. They are Past Commanders George Butman, Bud Mosmen, Bill Campbell, Fred Stahlhut and Art Quinn.

## Welcome

These new members were inducted into Blanchard Post last month: Walter C. Benedict, Fred W. Behrens and Robert Warren. Past Commander Ralph Butler officiated. A charter member of our Post rejoined us. He is Leonard Higbe.

## CHANNEL-IN!

It's now midway since you received Vice Commander-Special Events Chairman Ed Costigan's letter with the three books of tickets for the 19" RCA Victor portable television set to be drawn for on May 15.

Ed reports some returns and he's calling out for a lot more. To some members he's very happy with the interest and fruitful results they've accomplished for the Post with their efforts in this enterprise. Nearly all the books were distributed and Ed's asking for those who cannot return cash for them to please get the books back to him or to the Post right away because there is a need for them to be transferred into cash in other places.

Vice Commander Costigan initiated "SYP" and he's given everyone a chance to do this — Support Your Post — with this portable television give-away.

## PAST COMMANDERS ANNUAL DINNER

Blanchard Legionnaire George W. Chesbro, who is a deputy commissioner in the New York State Department of Social Welfare will be the guest speaker at this year's Past Commanders Dinner.

Chairman of the event is last year's Commander, Richard P. Dalton.

The dinner is to be at the Post on Saturday, April 24. A cordial hour starts at 6:30 p.m.

The Past Commanders' diamond-studded American Legion pin will be awarded to (in the May issue we'll tell you). The pin is awarded to the Blanchard Legionnaire who, in the opinion of the Past Commanders of the Post has served the American Legion and our Post in an exemplary manner.

Dinner tickets will be \$4.00 per person. They can be secured from Chairman Dalton or members of his committee.

## Child Welfare Month

In recognition of April as Child Welfare Month in the American Legion, Commander O'Hara has arranged for a special program at the mid-monthly meeting on April 19.

That night Post members are asked to attend the meeting and bring as their guests, their sons and daughters so that they may become better acquainted with the American Legion and what it does for the youth of the community.

## CAN WE DO IT?

Last year we fell short of our 755 quota by almost five per cent. The records in the County and Department of New York, American Legion, show our Post with a membership of 710. For quota purposes for this year, posts which did not make last year's quota were given the same quota for 1964-65. So today we find ourselves with only one paid-up member short of last year's total. We most certainly should make the 710 goal by getting a paid-up member from the eligible renewals, re-instatements or new members. The big job is to get 46 more paid-up members to pass the 755 quota.

At the February Albany County Legion meeting, Blanchard Post was especially recognized for that night becoming the second largest post in the County, by passing Fort Orange Post. Scully Post holds its place as the largest in Albany County. Past County Commander Ed Delehanty of Scully Post is the Department membership chairman and he also holds a position in the National American Legion staff.

Let's get behind Vice Commander George Reeber and sign up those 46!

## Taps

We all mourn the passing of a Blanchard Legionnaire who served his community well... Edgar L. Potter.

**IRENE'S CORNER**

February 27 marked the end of social activities at Nathaniel Adams Blanchard Post, for awhile, with Lent starting Ash Wednesday, March 3. Of course, this date was the Mardi Gras, the real "FUN" night of the year! This year's party was bigger and better than ever, and the costumes were really outstanding, ranging from Snowwhite and the Seven Dwarfs to Mary Poppins. Even some of the characters from favorite TV programs, such as The Munsters and The Doctors and Nurses put in a personal appearance. A good time was had by all! Need I say more?

March 16, our regular meeting night, we had Blanchard Post members join us to celebrate the 46th birthday of the Legion and to enjoy our Community Ambassador, Ann Feichtner's slides and her story of her experiences in Yugoslavia, this past summer.

Tuesday, March 30, we will hold our annual spring card party and fashion show by Jean Edwards Suburban Gal. General chairman is President Irene White assisted by co-chairman Ann Heilman. Hair styling will be by John's Beauty Salon and "Fran" Hynds will be the commentator. The committees have worked hard and we look forward to a very successful party.

Congratulations again to Betty Costigan! Not only did she make quota, but she made quota plus 3! Several Auxiliary members have worked with Betty too, on membership and Betty wishes to thank them for their help.

Past Department President Maud attended a Department Executive meeting in New York on the weekend of March 6.

Sunday, April 4, will be "Go to Church" breakfast at the Post and "Kay" Mosmen and her committee will, as always, do their usual good job at this event.

Because our regular County meeting falls on Good Friday, our Unit will entertain the County on Wednesday, April 14. This will afford members, who do not attend County meetings, an opportunity to come and hear about the work which other Units do in our County.

On Wednesday, April 21 at 7:00 p.m. in the Albany V.A. Hospital, an orientation and indoctrination course will be given. Auxiliary members interested in becoming volunteers at the hospital must take this course to be eligible, and there's always a need for more workers. Think it over, see if you can spare some time for the hospital.

It is early yet, but our Poppy order has been sent to Department. "Fran" Hynds is Poppy Chairman and she will be needing many volunteers to make this project as successful as it has been other years. Won't you plan to set aside some time to help "Fran" when Poppy Days roll around in May?

On these Poppy Days it's always good to identify yourself by wearing your Auxiliary hat. If you plan to help and don't yet own a hat, won't you order one? Let our President Irene know if you wish to obtain a hat. Think the price is less than \$3.00.

Just a reminder, have you written your letter to your Senators and Representatives urging Congress to take action to prevent the closing of 11 hospitals, 4 domiciliary homes and regional offices of the V.A.? As Auxiliary members, we should support the American Legion in its demand for reconsideration of the closing plans.

Past Department President Maud Hafley served as co-chairman of the Reception and Refreshment Committee at the annual Award ceremony at the V.A. on Monday, March 1. Past Presidents Mary Conner, Esther Cooke and yours truly were there, too.

See you soon.

Chris

### A GOOD WAY TO FILL FREE TIME

Blanchard Legionnaires in the vicinity of Albany who have retired from business and are looking for useful ways to use their free time might want to mark their calendar for April 21. At 7:00 p.m. on that day, the Veterans Administration Volunteer Services will have an orientation program for anyone interested in the work of the VAVS. This is a group of charitable individuals who give their time and energy in trying to make life brighter for the patients at the Albany V.A. Hospital. Our Harold Barkhuff is the American Legion's National Representative at the hospital. He is especially anxious to have more members from Blanchard Post to join him in this effort of mercy.

Anyone interested in taking part in this program should contact Harold to get further details about it. All those who go through the orientation program will become part of the group which the VAVS calls upon from time to time to do volunteer work at the hospital.

As a patient at the hospital, Harold Barkhuff has had the opportunity to appreciate what is being done by VAVS. As a worker at it he knows how soul-rewarding is the effort he gives to it. Some day you may be a patient at the V.A. Hospital. While you can, perhaps you may want to take the opportunity to help in this good cause.

The VAVS program is open to all who are interested in doing this work.

### A REMINDER

We would like to remind our members, who have not done so, to look up their serial number and have it in an available place for their next of kin. Upon their death the undertaker may need it for the following reasons:

1. American Flag to drape casket of veteran, after which it may be given to next of kin or close friend or associate of the deceased.
2. Burial in National Cemeteries: the grave site and actual interment, including opening, closing, and marking the grave, provided without charge.
3. Reimbursement of Burial Expense: payment, not to exceed \$250.00 toward veteran's burial expenses.
4. Headstone or Grave Marker: the headstone or grave marker is provided without charge. If interment is in a National Cemetery, eligibility for a headstone or grave marker is automatically established.

## BLANCHARD HAS 3 TEAMS IN DEPT. BOWLING MEET!

The New York State American Legion Bowling Tournament begins in Albany on April 3 and continues through the next three weekends.

Our Post will be well represented with three teams having been entered.

The team members are: *Team 1* — Dick Williams, Captain; Barney Greene, Charley Tornquist, Bill Tougher, and Dick Dalton. *Team 2* — Dick Lenseth, Captain; Bob Strickland, Bill Flint, Skip Larkin, and Al Adams. *Team 3*—George Ten Eyck, Captain; Warren Boutelle, Paul Sherman, Dick Dalton, and Paul Nelson.

It should be interesting to see the team on which Dick Dalton is playing plays Team 3 on which Dick Dalton is playing.

In the Post league, as of last month, Infantry retained its first place while all other teams shifted. Here's the standings:

## Maybe a Second Baseball Team

A decision as to whether or not to sponsor a second Blanchard baseball team for the young lads of the community is to be soon made.

At the March 1st meeting a motion by Vice Commander Bill McGoey was made and passed to authorize Baseball Chairman and Past Commander Dick Dalton to take the steps necessary to arrange with the County Legion Baseball Committee for Blanchard Post to sponsor two teams. It is highly unlikely the County would refuse to sanction such action. The work of getting another manager, more coaches and the many other details that are encountered has to be reviewed before it is finally determined whether or not Blanchard Post can undertake this added community activity at this time.

## Blanchard Responds

A letter of appeal from the National Commander, Donald Johnson, on behalf of the Herbert Hoover Fund of the Boys Club of America read by Commander O'Hara at the March 1st meeting, moved a \$25.00 contribution from the Post for this cause.

## D. P.'s to Blame

For those who attended the Old Timer's Night meeting at the Post in mid-March, were treated to a most enlightening talk on the work of the Town of Bethlehem Police. The speakers were Chief Peter Fish and Captain Robert R. Foster. The chief reported on the work of the Police Department for the past year. Captain Foster told about activities connected with the Juvenile Bureau of which he is the head. Summing up Captain Foster's remarks, the problems of the youngsters with whom he comes in contact should be shared equally with those called juvenile delinquents and the D.P.'s their "delinquent parents".
