

Job Title: Warrant Officer Basic and Advanced Course (WOBC/WOAC) Instructor; Fort Sill, OK

Location: Fort Sill, OK

Position Number: **J-HXHO1X**

Grit Government Solutions is looking for a qualified WOBC/WOAC Instructor for our customer in Fort Sill, OK

Position Specifics

Grit Government Solutions is seeking a Field Artillery Warrant Officer Basic and Advanced Course (WOBC/WOAC) Instructor with U.S. Army Field Artillery/Marine Corps Artillery experience to provide resident training and instruction to students attending WOBC/WOAC. The candidate will conduct academic instruction, provide input for updates/training to the Program of Instruction (POI) and maintain and update lesson plans in support of the Field Artillery Warrant Officer Instruction Branch (WOIB) mission statement. Instruction includes classroom, hands-on, simulation/virtual field environment and exercises combat scenario-driven, and live fire in a realistic and safe environment.

Citizenship & Clearance Requirements: Applicant must be a US Citizen and possess a current DoD Secret Clearance

Education & Experience:

- Associate's Degree or higher from an accredited college or university
- Minimum of five (5) years of Field Artillery experience and served in one of the following assignments within the U.S. Army or USMC:
 - Target Acquisition Platoon Leader
 - Counterfire Officer
 - Brigade/Regiment Targeting Analyst
 - Brigade/Regiment Targeting Officer
 - Division Targeting Officer
- Proof of qualified experience can be included from any of the below forms or a combination of the following:
 - DD Form 214 reflecting an Honorable Discharge
 - Officer Record Brief (ORB) / Enlisted Record Brief (ERB)
 - Officer Evaluation Report (OER) / NCO Evaluation Report (NCOER)
 - Instructor Training Certificate (ABIC or CFD-IC or service equivalent)
 - Graduate of FA WOAC, FA Captains' Career Course, or FA Advanced Leaders' Course.
 - Current certification or previously certified within the past 12 months on Target Mensuration Only (TMO), Collateral Damage Estimate (CDE), and Weaponneering. If certification is out of tolerance, the candidate must be able to pass TMO, CDE, and Weaponneering.
 - Master Resiliency Training (MRT) or capable of passing MRT.
- Must have experience in using Blackboard and Microsoft Office products such as Excel, PowerPoint, Word, Access and other Microsoft Office products in order to instruct, update/revise POI, and provide evaluations.

Specific Duties & Responsibilities:

Provide instruction during classroom, hands-on, simulation/virtual field environment and exercises combat scenario driven, and live fire in a realistic and safe environment.

Additional certification requirements and responsibilities include:

For a previous instructor who has been certified in one or more of the requirements below, certification time may be shortened. Candidate instructors shall submit proof of completion of the below certification requirements. Requirements for certification are listed (in no sequential order) as follows:

- Common Faculty Development-Instructors Course (CFD-IC)
 - 2 Weeks: CFD-IC or other service school equivalent approved by the Fort Sill DOTD. This requirement may be waived on an individual basis if the proposed instructor has attended CFD-IC or other Service school equivalent in the past 5 years and provides documentation to verify successful completion. In accordance with the FCOE directive, if the candidate has actively taught at a service school within the past 5 years, the Total Army Instructor Training Course (TAITC), Army Basic Instructor Course (ABIC) can be in lieu of CFD-IC. If the candidate has not actively taught at a service school within the past 5 years, that person shall be required to attend CFC-IC because of Army Learning Model 2015 (ALM 2015) curriculum that is now taught and implemented at the FCoE. (
- Support Cadre Training Course (SCTC)
 - 2 Days: SCTC, if not previously certified
- Ask, Care, Escort - Suicide Intervention Course (ACE-SI)
 - 1 Day One, ACE-SI course given by Brigade (BDE) Chaplain
- Common Faculty Development-Developers Course (CFD-DC)
 - 2 Weeks: CFD-DC, if not previously certified.
- Sexual Harassment Assault Response and Prevention (SHARP)
