## WEXFORD LANDING LANDINGS

Eddie Fisher flew in for a visit with Rick and Leonard in January. Here he is with his Cessna 140.

Carson Colmer did a little practice with his drone in February.

## PROGRESS AT WEXFORD LANDING

### CONSTRUCTION

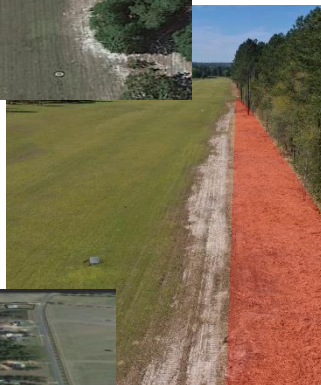

One new residence was completed in December, and work continues on 3 new residences at Wexford Landing. Lots of good things are happening at the Landing.

### TREE REMOVAL

A mulching contractor worked on the west taxiway in March to remove encroaching trees and limbs. A big improvement for our airstrip!

## WEXFORD WIVES GET-TOGETHERS

The Wexford Wives got together on January 19<sup>th</sup> for brunch at The Little Bake Shoppe in Wagener. Wanda Burkey planned the brunch and made goodie bags for everyone. The conversation was lively, and the food was wonderful! Thanks to Wanda for planning the brunch and for the delicious cookies! We had so much fun in January, that we did it again in April! Carol DeRubba and Kathy Self planned breakfast, and Kathy made Easter candy nests for everyone. Thanks Carol and Kathy!
