PROGRESS IN OUR COMMUNITY

TREE REMOVAL

In August, a tree removal contractor worked along the west taxiway to remove encroaching trees. A total of eight trees were removed, improving the condition of our air strip.

CONSTRUCTION

Work continues on five new residences at Wexford Landing. Lots of good things happening at the Landing!

OUR LOCAL FIRE STATION

We might take for granted the existence of our Volunteer Fire Department until they don't exist. Our Volunteer Fire Department provides a visible service including working wrecks and fires. If not for them we may not be able to buy reasonable homeowners' insurance. If you have a chance, please stop by and thank these folks for their service. An HOA Member cut the grass at the station this summer as a token of appreciation. We might consider offering the Volunteers airplane rides for them and their families. They meet the third Tuesday evening of the month to do maintenance and such on equipment at the Burkelo station.

WEXFORD WIVES GET-TOGETHERS

The Wexford Wives got together on September 17th for a "Summer's Last Hurrah" pool party. We enjoyed the sunshine, good conversation, and ice cream floats by the pool. We also started plans for upcoming get-togethers.

WELCOME NEW WEXFORD WIVES

If you would like to join us at our get-togethers (virtual or in-person), just send your preferred phone and/or email to Chris.

Happy Thanksgiving!
Wishing all our friends a safe and iovous holiday!
