## WEXFORD LANDING UPDATE

Wow! I have never seen the sky so blue and the grass so green as it has been the last several weeks! Beautiful! Now the temperatures are dropping and it is time for our passion for flying to peak. Our friends at Gilbert Airpark and many other airparks are sponsoring EAA meetings and special Fly-in opportunities to which you as Pilots and particularly Airpark residents are invited. Many apps exist to keep everyone up on current events and I am learning one called SocialFlight. Check it out, but you won't see any 45C7 news. Not yet anyway, because we are 20 pilots working hard to realize our dream of living with the freedom to fly at a qualified moment's notice. The mental rigor and hard work that it takes to have a nice residential airpark is time consuming. Our airpark was initiated by a man in the early 1990's who had most everything. A good Clemson Graduate was Carroll Warner and the first time I met him in the early 1990's his love of airplanes had prompted him to run barefoot to WL from his home on Hwy 302. He was thrilled to see a Twin Bonanza land on his airstrip. Council Chairman Warner had a vision and passed it on to us before leaving us too soon. I believe he would be proud to see the airpark still growing with responsible "airplane" people who take pride and respect their neighbors more like he would remember from "back then". We are encouraged to see new building projects coming to be so folks can enjoy the reason they are here! Updates are provided via pictures with this newsletter. Keep Yourselves Safe!

WL HOA President

## NEW OPTIONS FOR INTERNET SERVICE!

Aiken Electric Cooperative is bringing high-speed fiberoptic internet service to the Wagener area, beginning in June 2021. To sign up for service, go to [carolinaconnect.com](http://carolinaconnect.com) and register. They are within 5 miles...

## MEET THE NEIGHBORS: TOM AND DONNA BAUER

We are originally from Florida but lived in New York for 20 years where we raised our four children. We currently reside in Aiken. We built the house/hangar in Wexford Landing for our Cessna 182. Tom received his pilot's license at the age of 17 and has renewed it over the last couple of years. We are absolutely overjoyed with how welcoming and kind the residents of Wexford Landing have been.

## SOME FLYING PHOTOS

## BUILDING PROGRESS

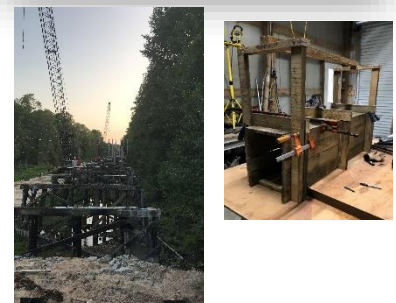

## THE WEXFORD WIVES

Well, the latest Covid surge has slowed down our in-person activities, but the Wexford Wives are continuing to stay in touch with regular group texts. We are hoping to plan an in-person event in the near future.

## WELCOME NEW WEXFORD WIVES

If you would like to join us at our get-togethers (virtual or in-person), just send your preferred phone and/or email to Chris.

The Rt 302 Edisto River Bridge is scheduled to be complete February 2022

**NEXT HOA MEETING:**  
October 30, 3:00pm (Zoom)

**2021 ADOPT-A-HIGHWAY PICK  
UP DATES**

November 6
