

ACCESSIBILITY STATEMENT

This accessibility statement applies to the iethico medicine shortage application.

We want as many people as possible to be able to use the application.

For example, that means you should be able to:

- use a keyboard instead of a mouse
- zoom in up to 300% without the text spilling off the screen
- listen to most of the application using a screen reader

We've also made the web application text as simple as possible to understand.

AbilityNet has advice on making your device easier to use if you have a disability.

Compliance status

iethico medicine shortage application is compliant towards Web Content Accessibility Guidelines version 2.1 AA standard.

Feedback and contact information

If you need information on this website in a different format like accessible PDF, large print, audio recording or video recording:

- email: support@iethico.com

We'll consider your request and get back to you in 2 working days.

Reporting accessibility problems with this website

We're always looking to improve the accessibility of the web application.

If you find any problems not listed on this page or think we're not meeting accessibility requirements, contact the support team at support@iethico.com.

Preparation of this accessibility statement

This statement was prepared on 10th March 2023.

The web application was last tested on 10th March 2023.

The test was carried out by internal iethico staff.
