How do I register my child for Klein Soccer Club?

- You can register online or in-person during office hours. Please visit our website: https://kleinsoccer.com/ for more information, or scan the QR code above.

What play level and ages does Klein Soccer Club support?

- We are a Recreational League - ages U4-U16 boys and girls (3 years to 15 years old - born August 1st, 2010 to July 31st, 2023). Our program is a parent volunteer coached program and is an excellent introduction to soccer for kids. No previous soccer experience is required to register. The majority of our play level is recreational, and our focus is to build our player's knowledge of soccer in an enjoyable environment.

Where are practice and games held?

- Practice and Home Games for Fall 2026 and Spring 2027 are played at Meyer Park (located at: 7700 Cypresswood Drive / Spring, TX / 77379). U4-U16 play games on Saturdays at Meyer Park. Practice is one day per week - Monday to Thursday - after 5:00pm and as late as 6:30/7pm. You will find out your practice schedule after your child's coach attends the Coach's Meeting prior to the season starting. There are times when a coach practices two times a week - but this usually applies to U10-U16 teams only.

When does registration start for each season? When do seasons start each year?

- The fall season registration begins in June and the season runs from September until November. The spring season registration begins in October and the season runs from February until May.

How many weeks/games are played per season?

- Each season lasts for 10-weeks. The number of games depends on the number of teams in the age group and the weather. We always do our best to get every team ten games; however, if the age group does not have enough teams you will have a minimum of eight.

How are teams formed? Can I request to play with a friend or family member?

- Teams are formed based upon if your child is a returning player, as well as your child's level of soccer experience. You can request to play with the same coach, friend and/or family member during the online registration process. Per state regulations, your child can play up in an age group (by no more than two years - and with Board approval), but your child cannot play down in an age group.

KLEIN SOCCER CLUB - Q & A (CONTINUED)

What day and time does my child practice? Can I request a certain day? What if I can't practice on the day the coach has selected?

- **At this time - we don't allow for a parent to select or specify a practice day because the coaches are volunteers and he/she selects their practice slot based on their schedule. The coach will not select their practice slot until they attend their meeting on Saturday, August 22nd. Practices begin the week of August 24th.**
- **What we can do: wait to see which teams your kiddos are assigned to - and more specifically, what day/time they will practice.**
- **Here are the scenarios:**
  - **Best case scenario - no change is needed.**
  - **Middle case scenario - we can check availability on other teams that practice on your requested days and move them to that team.**
  - **Worst case scenario - there's no availability to move (which is unlikely) - and we will provide you with a refund.**

How do I purchase my child's uniform? If my child played before do they need a new uniform? Can I buy the jersey only (and not the kit)?

- **Every Fall we get new uniforms; therefore, you are required to purchase a new kit. The uniform from Fall 2026 is used for Spring 2027. Uniform kits are not included in registration cost and are purchased separately for $66 (plus tax) online: https://achallenge.com/clubs/klein-soccer-club/. Uniform kits include a reversible jersey, shorts, and socks. You are unable to buy the jersey only; you are required to purchase the entire kit. We recommend double checking the size chart to make sure the proper size is ordered. Only new players are required to purchase a uniform in the Spring season.**

Are there scholarships, or is there financial assistance available for the season?

- **Yes, KSC offers need-based scholarships for players of all ages. You cannot combine this scholarship opportunity with Every Kid Sports Pass Program, and/or any other financial aid program.**
- **Download the Application under "Scholarships" on our website.**
  - **Applications must have all the necessary documentation (Tax Return, latest pay stub, W2 or 1099 form), or they will not be accepted.**
- **Deadline to submit a complete application is one week before general registration closes. See website for details.**

How do I connect with KSC?
