COACHING PROCEDURES AND POLICIES

Coaches are the voice for all of their players and parents. If there is any issues please communicate with your team and relay that information to the Director of Coaching, Eric Juarez, and/or the KSC Board and Staff members immediately.

Contact information for all Board Members and Staff can be located at the beginning of this handbook.

- Please review the Rules of Play on our website, and/or included in the handbook for all game rules.
- ALL head coaches/assistant coaches/team managers/admins are required to wear their KidSafe Badge on the sidelines at ALL times.
- Coaches are responsible to ensure all players get at least 50% play time during games.
- Official Klein Soccer Club uniforms must be worn on game day. On game day - the home team wears darker color/navy blue, and the away team wears lighter color/white.
- Team Name - It is not mandatory to have a team name, but you are more than welcome to create one. If you would like the team's name you've chosen to be added to GotSport you must contact the Directors of Team Formations, Erick Martinez (kleinsoccerscheduling@gmail.com) and Ivan Miranda (kleinsoccerteams@gmail.com).
- Only registered Coaches (with a completed Risk Management Profile) are allowed on the player sideline or game field.
- If you have a parent sub a game for you, they must stop by the office before the game for a temporary badge. The badge is valid for one game only, and must be returned to the office after the game.
- Spectators and players/coaches must be on the opposite sides of the field for the game to begin. Anyone who does not have a KidSafe Badge (and is registered as a coach) must remain on the opposite side of the field as the players.
- No coaches or spectators are allowed behind the goals during any games for any reasons.

COACHING PROCEDURES AND POLICIES

RESCHEDULES:

U4-U8:

Because there are no referees in these age groups, you are not required to notify the Board Members or Staff. However, as a courtesy, we do ask that you contact the opposing coach if you will not be in attendance. You are welcome to discuss playing your scheduled game during your scheduled practice time/day instead.

U9+:

All reschedule requests are required to be emailed to the Director of Scheduling, Erick Martinez - kleinsoccerscheduling@gmail.com - no later than Monday night before the scheduled game.

Both coaches must be included on the email. The first two weeks of the season schedule are locked, and no reschedules will be allowed.

Reschedules are based on field availability and not guaranteed.

- Coaches may contact or visit the office during hours, to obtain the opposing coach's contact information. OR, they can email the office staff to obtain the information - office.ksctexas@gmail.com.
- Coaches requesting a game reschedule are to contact the opposing coach and work out a mutually agreeable date and time with each other that does not conflict with other games scheduled.
- Games will **NOT** be rescheduled if both coaches have not agreed to the reschedule.
- If the opposing coach will not agree to the reschedule, the game will be played on the original date / and the opposing team will forfeit.

COACHING REMINDERS

Your number one priority is the kid's safety at all times. It's critical to keep your players hydrated and give them proper rest time during games (as well as practice). Allow for water breaks to prevent any heat-related injuries. Please have your KidSafe Badge visible at all times.

Please be respectful and responsible with the number of goals your team scores. You are all a direct representation of Klein Soccer Club. You are all looked up to regarding sportsmanship and discipline on the field. If your team is gaining a significant lead in score, please try to rotate your players around to try new positions or make them pass a certain number of times before they are allowed to shoot the ball. Do your best to keep the league positive and fun for everyone.

COACHING RESOURCES AND SUPPORT:

The KSC Board has many coaching tools available if you are unsure on how to run practices or what to do on game days. Please contact, the Director of Coaching, Eric Juarez for assistance - kleinsoccercoaches@gmail.com.

PARENTS AND SPECTATORS:

As a coach it is your job to manage your parents and spectators. Before the game starts make sure all of your parents and spectators are on the opposite side of the field as your players. In addition, there are no spectators allowed behind the goal mounds during the game. If there are any parents or spectators that are beginning to get out of hand, please try to remedy the situation as soon as possible.

If you ever have a situation of spectators or parents becoming out of control, please contact any KSC staff as soon as possible to provide assistance. The office is open from 7:30am-2pm on game days. The office number is 281-320-2211.

COACHING REMINDERS CONTINUED

GAME DAY:

Please arrive early to the park for all of your games. It is highly recommended to arrive at least 20 - 30 minutes early to your game time. Parking can become very limited and take much longer than expected to try and find a spot. This also allows for your players to properly warm up prior to the match.

All matches are about the kids having fun and developing their skills. Do not purposely try to run the score up as high as possible and make the other team want to quit the sport. Please be respectful and responsible with the number of goals your team scores. If your team is gaining a significant lead in score rotate your players around to try new positions or make them pass a certain number of times before they are allowed to shoot the ball. Do your best to keep the league positive and fun for everyone.

REFEREES (applicable to U9+ only):

Referees will not be perfect every single game. If you have any questions regarding rules, or if you have an issue with a referees calls during a game - please contact Chris Ellender, the Director of Referees - cellender@kleinsoccer.com. Everything will go much smoother if a coach contacts the KSC Board to come access a referee's performance and subsequently, handle any issues.

U4-U8 REMINDERS:

- **Your main responsibility is to coach your kids - not to referee the game.**
- **U4 to U8 matches are not allowed to have goalies. Do your best to keep all of the kids actively involved in the match and not have them stand in front of the goal. The main focus of these matches is for the kids to have fun and not focus on how many goals are scored.**
- **Teams are only allowed to have 4 players on the field with no goalie. Do not allow your entire team to play on the field at the same time.**
- **Only one to two (max) volunteer coaches from each team are allowed on the field during the game. Please encourage parents to stay off the field to ensure safety for all participating players.**
- **If the ball goes out bounds at this age group, the ball is brought back to the edge of the touch line to the closest point it went out of bounds and thrown* OR kicked* back into play. U6+ age groups will all**
 - **Throw-Ins*: U4-U6 ONLY (*don't be concerned about being stringent on throwing form. Do make sure the throw in is from the point the ball went out and from behind the boundary line. Players should not be allowed to throw the ball to themselves.)**
 - **Kick-Ins*: U7-U8 ONLY (*the ball needs to be kicked below the knee.)**
 - **U7 to U8 only:**
 - **A corner kick occurs when the defending team kicks the ball out of bounds on the goal line.**
 - **A goal kick occurs when the attacking team kicks the ball out of bounds on the goal line.**
 - **A throw in occurs when the ball is kicked out of bounds on the touch line (side lines).**
- **If you believe there is a foul or infraction please do not try to stop the game and dictate the game yourself. Should what you believe is a foul or handled ball occurs, do not stop the game and award a free kick. Rather, allow the flow of the game to continue and verbally correct the offending player. If a player continues to foul another player after your attempts to intervene/correct - immediately have them sit out and ask for their parent/guardian to provide support.**

Please direct any questions about the Rules of Play to the Director of Referees, Chris Ellender, (cellender@kleinsoccer.com), or for further support contact the Director of Coaching, Eric Juarez (kleinsoccercoaches@gmail.com).

U9 AND UP REMINDERS:

- **Your games have appointed referees.**
- **Both coaches should print their own copy for every game and fill in the required information for your team roster including goals scored during the game (do not worry about jersey numbers for the opposing team).**
- **Bring the sheet and a pen with you to the fields. Get referee information at the start of your game. The signature of the opposing teams coach is required on your game sheet. At the end of the game when your players are doing their "Good Game Exchange" take the time to sign both game sheets with the other coach.**
- **Please remember to double check accuracy before signing the opposing team sheet.**
- **It is your responsibility to turn in your game sheet after each game. See the next few pages for instructions on how to access and print your game sheet.**
- **You will deliver your game sheet to the club house - there's a clear box on the counter. If you stop by the office after 2p.m. - please drop the game sheet in the door slot.**
- **The staff is responsible to input your game scores in GotSport. When they return to the office on Monday, they will input any scores that are left over from the weekend.**

Please direct any questions about the Rules of Play or issues with referees on game day to the Director of Referees, Chris Ellender, (cellender@kleinsoccer.com), or for further support contact the Director of Coaching, Eric Juarez (kleinsoccercoaches@gmail.com).

Please reach out to the Office Staff (office.ksctexas@gmail.com) or Amy Ortmann (aortmannksc@gmail.com) with any issues or support regarding your game sheets or general questions.

PRACTICE FIELD ASSIGNMENT

As the Head Coach - it is YOUR responsibility to select/reserve a day/time for practice. You will select any day, Monday-Thursday (5:00pm-8:00pm). All practice takes place at Meyer Park - north side.

PLEASE NOTE: The coaches who attend the preseason Coaches' Meeting will get their first pick at practice fields; therefore, it is highly recommend that you (and/or your assistant coach/team representative) attend.

If you are unable to attend the meeting, please contact Eric Juarez, the Director of Coaching, to sign-up for your practice slot (kleinsoccercoaches@gmail.com). In the email you MUST include your age group, team gender (if U8 or older) and preferred practice day/time. We will not consider and/or reply to any practice requests until after the Coaches' Meeting. Please expect a reply no later than 24 hours after the meeting so you can prepare accordingly.

We will do our best to accommodate your practice day/time request, but keep in mind that sign-up is on a first come/first serve basis.

We allow teams two weeks to select their first practice slot prior to allowing teams to request an additional practice slot.

See below for the link/QR Code for the Fall 2025 practice schedule. The Coach's Last Name is listed in the time slot and it is categorized by age group.

PRACTICE FIELD RULES

Only practice on your assigned field.

Fields are not assigned for scrimmages. If you'd like to scrimmage, you must use your current field assignment. If another coach practices at the same time, on the same field, but on the opposite side, you may coordinate with them to use the full field.

Temporary practice fields may be assigned based on availability. If you are unable to make your assigned practice, contact Eric Juarez, and he will assign you a temporary field for that week only. You will return to your regular field the following week.

Fields are age/division-specific. U4-U8 teams cannot be assigned to U9-U10 fields. U9-U10 teams cannot be assigned to U11-U12 fields, and so on unless approved by the KSC Board.

No pop-up lights are allowed on the fields. If you need to request an earlier time due to reduced daylight (e.g., around Daylight Saving Time), contact Eric. He will assign an earlier time and field based on availability.

Practice is during the hours of 5:00p.m. to 8:00p.m. Monday through Thursday. Please do your best to stay within this time frame. Fields are off limits on Friday and weekends for practice.

Second practice requests will be processed in the order received, with priority given to head coaches who have completed their Risk Management profile.

Any violation of the above is subject to the jurisdiction of the Klein Soccer Club Board and may result in an investigation and disciplinary action.

If you have any questions or concerns regarding practice fields, please reach out to Eric Juarez, Director of Coaching (kleinsoccercoaches@gmail.com).

FIELD AND WEATHER ALERT INFORMATION

Everyone should be aware of the potential dangers posed by different weather conditions and work together to keep the players and other participants as safe as possible.

Hot Weather:

Heat becomes a problem when it prevents the body from cooling itself. The hotter the body gets, the more likely it is to increase fatigue levels, develop cramps and increase the possibility of heat exhaustion and heat stroke. The hotter and more humid the weather, the faster these problems can develop. Temperatures as low as 65 degrees, with a relative humidity of 100%, can be serious.

Cold Weather:

Like heat, cold weather can become a player safety factor. Field conditions will be affected by freezing rain, sleet and snow. The ground may become frozen and unsafe for play.

For practice sessions, coaches are responsible for monitoring the heat index and current radar, as well as taking the appropriate precautions to ensure player safety, which includes:

- Ensuring hydration breaks during practice, plus mandatory breaks every 20 minutes (when applicable)
- Adjust or shorten practice sessions
- Cancelling/reschedule practice

FIELD AND WEATHER ALERT INFORMATION

For scheduled games, KSC Administrators and Lead Referee Coordinators are responsible for monitoring the heat and cold index and the current radar (by weather radio, online with Perry Weather System, or the Weather Channel), and keeping the participating teams and game officials informed of the heat/cold index and weather conditions.

Referees on site will also monitor the weather conditions.

Any temperature at dangerous heat would shorten games, and any temperature at freezing or below (including any inclement weather) would delay games until weather conditions are above freezing and/or when inclement weather subsides.

If there is lightning within 10 miles all play is suspended; 30 minute delays between each lightning strike will be enforced.

If the game is in the second half when a lighting delay (or inclement weather) occurs the game is ended.

Called games are not likely to be rescheduled.

Please Note: You will be notified by the text alerts if a delay/cancellation due to weather occurs.

IMPORTANT - Please sign-up for text alerts as the weather could impact your practice or game schedule.

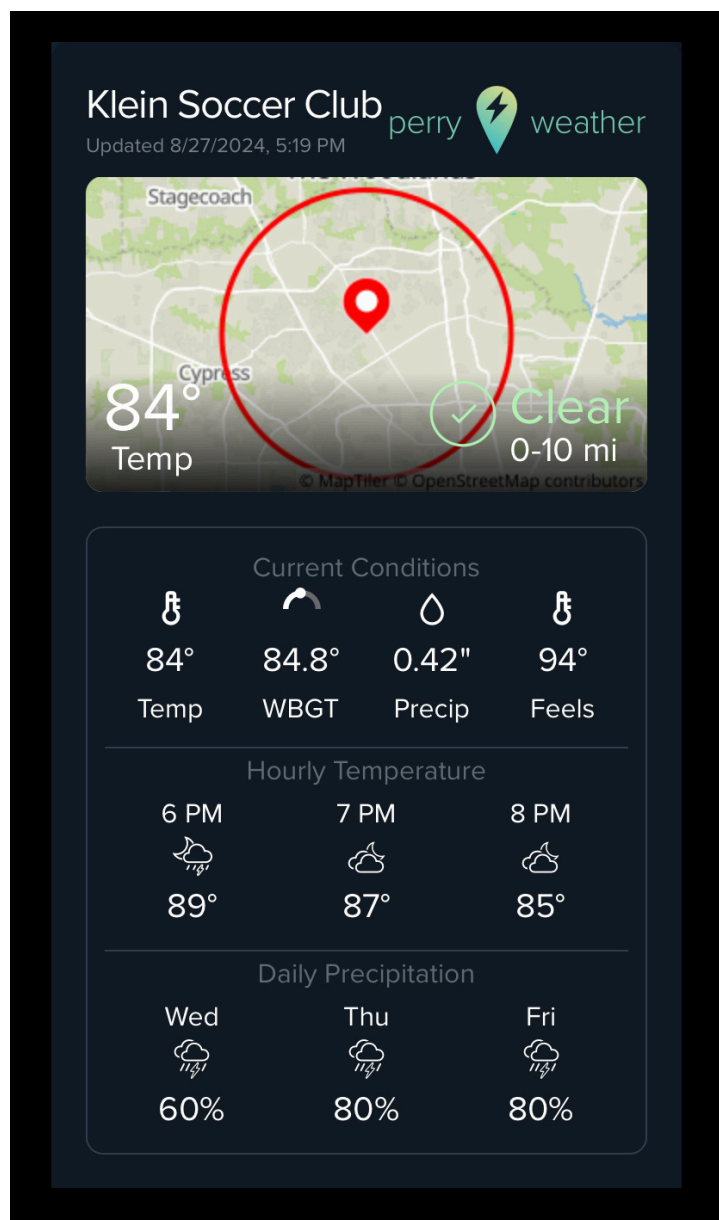

PERRY WEATHER ALERT SYSTEM

For real-time weather conditions (provided by Perry Weather) - visit the home page of our website (www.kleinsoccer.com).

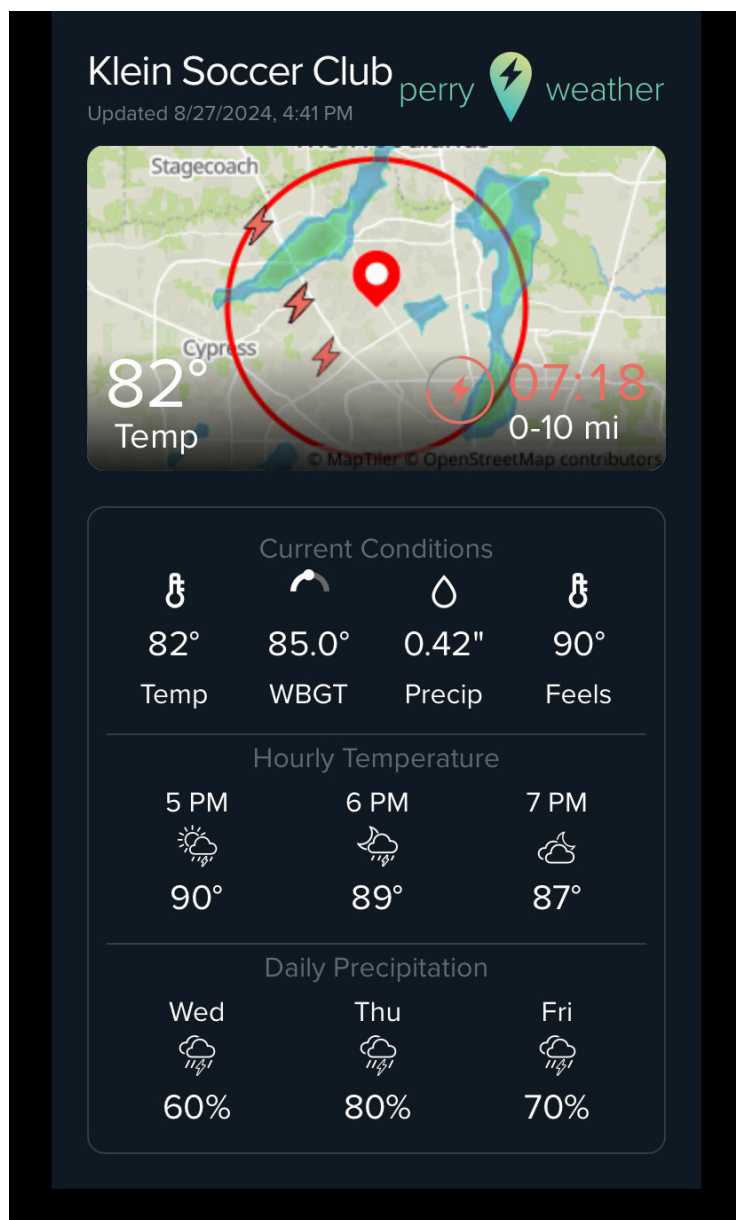

See pictures for example of a CLEAR day versus when there is LIGHTNING in the area .

When you hear thunder, you should immediately seek shelter from lightning.

INCLEMENT WEATHER PROTOCOL

The following guidelines will be used by KSC when there is a possibility of a dangerous heat index:

HEAT INDEX	MATCH PLAY GUIDELINES
Up to 89°	Normal Play
90° - 99°	Implements a mandatory two-minute water break per half with running time.
100° - 105°	Implements a mandatory two-minute water break per half with running time. Each half may be shortened by five minutes.
106° - 108°	Implements two mandatory five-minute water breaks per half with running time.
109°+	Suspend Play

The following guidelines will be us by KSC when there is a possibility of cold weather:

COLD INDEX	MATCH PLAY GUIDELINES
46° and higher	Normal Play
36° - 45°	Allow additional clothing as detailed on page 9 of the handbook.
30° - 35°	Shorten games by 5 minutes per half. Allow additional clothing as detailed on page 9 of the handbook.
