

Dear Business Owner / Neighbor:

The 2025 season of Skagit Dungies Baseball is right around the corner with Winter workouts underway and Fall Ball scrimmages already complete!

The Skagit Dungies mission is to elevate not only the game of baseball in Skagit County, but also elevate the lives of the young athletes that play the game. We'll accomplish this through higher level skilled-based training and development, competitive play against other elite programs in the region, and sound guidance that will follow our players on and off the field.

We are a volunteer-based Limited Liability Corporation (dba Skagit Baseball Club) but created for non-profit purposes. Every penny raised on behalf of Skagit Baseball Club will be put directly back into the program, paying for operational costs associated with the 2025 season.

Some of these costs include, but are not limited to:

- Games, including umpires, fields, lights, game balls, etc. (\$250 per game)
- Equipment (\$400 per player)
- Tournament Registration Fee (\$550-\$1,000 per select tournament)

Playing baseball at an elite level can be financially taxing on a player's family, which is another reason we are actively seeking community members and supporters like you to become one of our tiered corporate sponsors. No child should be turned away from his dreams because of financial constraints. Our fundraising efforts will help ensure that elite-level, youth baseball players in our community, regardless of their financial situation, will be able to play at the level that best suits their baseball abilities and aspirations.

There are a variety of ways that you can participate, and we thank you for reviewing the options available to you. Your sponsorship will help us give our players the best opportunity for personal and athletic growth in a positive and fulfilling manner.

Can we count on you?

Thank you for your consideration.

Sincerely,

Ryan Kies
