

To the Friends and Family of Trinity Church,

It is my hope that this newsletter finds you all well. We are still finishing up our transition from mailed monthly newsletters to online publication. You can access the newsletter on our webpage at trinityepiscopallogansport.org or you can search YouTube by typing in [trinitylogansport3903](https://www.youtube.com/watch?v=trinitylogansport3903), to view downloaded services. Livestream may also be found by logging on to McClain Funeral Home, mcclainfh.com and clicking on Live Steam Channel Two at the bottom of the page. We are trying to make communication and contact with the church as easy as possible, and technology is great, when it works. Thanks for your patience as this will be the last newsletter arriving by mail.

Here we are in September, and we waved goodbye to summer at our Parish picnic which again was blessed by beautiful weather, heartfelt worship, and as always, delicious food and fellowship. If you hadn't heard, the School Supply Giveaway was a resounding success again this year. Approximately 780 individual bags of supplies went out the door and as many backpacks were given out to eager students ready to start school. Again, the smiles on the faces of those children warmed our hearts and the gratitude of the parents and grandparents was freely given and joyfully received. That is what motivates us every year to support this ministry. Jesus said, *"Let the children come...."* And that was our mantra as we opened the doors and ushered in a new and enthusiastic gathering of students at Trinity.

The Food Pantry and Loaves and Fishes ministries continued throughout the summer and were well attended by those in need. Sunday attendance has been great throughout the summer and Evening Prayer continued with a mighty band of believers. Many joined us at our monthly Guys/Girls Night Out as a time of fun and fellowship. Logansport Street Outreach continued every Thursday, providing a place where those who find themselves homeless, a cool place to gather. The many volunteers from Shiloh Christian Church, Trinity, Good Shepherd, and Calvary Church provided a hot meal, groceries, clothing, supplies, showers and laundry, as well as services through Area 5, 4C Health, and Aspire Indiana, all attempting to meet the needs of the less fortunate in our community.

So here we are closing out the summer and continuing our walk with Jesus during this Season of Pentecost. We will continue doing what it is we do best here at Trinity, and that is giving of ourselves to others. We had an eventful summer; school has started back up and we are recharged and ready to go.

It's good to come here in the presence of Jesus and know that his grace and love and forgiveness are real and true. We may not get all the answers we are looking for every time we come here. We may go away with as many frustrations and anxieties as we had before. We may not like the message or the lack of music and singing, but that's not the point. We have come here in the presence of Jesus, heard him speak, tasted his sacrament and again realized with the disciples, that what Peter said is true, *"You have the words of eternal life. We have come to believe and know that you are the Holy One of God."* (John 6:69)

So let us continue to praise Him, giving thanks for all the blessings He has given to each and every one of us, rejoicing in the renewal of our spirit, and draw the Holy Spirit into ourselves with every breath we take.

Faithfully yours,

Fr. Clark
