

**Attention Parents of Children Ages 7 – 18!**  
**DRIVERS NEEDED**

**Dakota Soap Box Derby**  
**SATURDAY JUNE 2, 2018**

Is your child pleading with you to try Derby Racing but you feel intimidated and/or unsure what it is all about?

Has your child ever had dreams of becoming an All-American Soap Box Derby race car driver but you have no idea where to begin?

**WHAT IS THE SOAP BOX DERBY?**

The All-American Soap Box Derby (AASBD) World Championship is held annually in Akron, Ohio every July. Participants become eligible to compete in the AASBD World Championship through winning their Local Race and/or by accumulating points in the Rally Program.

**WHERE DO I BEGIN?**

Contact Local Derby Director Scott Miller 701-840-2417 ; [scottl\\_miller@live.com](mailto:scottl_miller@live.com) or Wes King 701-840-9051; [wking0115@gmail.com](mailto:wking0115@gmail.com) for information on racing in your area . Club email: [svsbdc@live.com](mailto:svsbdc@live.com)

Decide which type of car you wish to build. Your Local Derby Director will be able to help you with this information. You may also want to look for a sponsor to help underwrite the cost of your racer. You will need to purchase a car kit and a set of Z-Glas racing wheels. All kits and parts for Soap Box Derby racing must be purchased through the All-American Soap Box Derby. Visit their website at [www.aasbd.com](http://www.aasbd.com) .

Read the official plans and build your car exactly as the instructions indicate, keeping in mind that SAFETY is our primary concern. Your Local Race Committee will assist you with any questions you may have about racing, rules and/or tips for building cars.

In addition to racing in your local race, you may participate in rally races as well. You will gain experience with each trip down the hill, and build a bond between driver and parent/guardian, and make new friends along the way!

**WHAT ARE THE DIFFERENT RACING DIVISIONS ?**

**Stock Division**

The Stock Division is for racers age 7-14 years old. Stock Cars can accommodate a racer up to (approx.) 5'3" tall and 125 lbs. The total weight with driver & car for Stock Car: 200 lbs. The Stock Car, a lean-forward design, is sold as a kit which includes everything needed for racing with the exception of Z-Glas Racing Wheels and weights

**Super Stock Division**

The Super Stock Division, is designed for racers age 9-18 years old. Super Stock Cars can accommodate a larger racer up to (approx.) 6'0" tall and 170 lbs. The total weight with driver and car for Super Stock: 240 lbs. The Super Stock , a lean-forward designed car, is also sold as a kit which includes everything needed for racing with the exception of Z-Glas Racing Wheels and weights.

Most of all, the Derby is about fun, family and sportsmanship!
