

ART REQUIREMENTS

TYPES OF ART FILES TO SUBMIT & GUIDELINES FOR CREATING ART

Art can be reproduced from anything you give us.
Though depending on the file there may be an art fee.

Accepted File Types:

CorelDraw (filename .cdr)

Adobe Illustrator (filename .ai)

EPS (vector files)

Adobe Photoshop (filename psd)-

Should be scaled to size for printing,
and resolution should be
200-300 pixels per inch.

File Types With a Fee:

JPG files

Microsoft Word files

Microsoft files

Adobe Photoshop files-
(not scaled to print)

Powerpoint files

NOTE:

There is some flexibility with the resolution being 200- 300 pixels per inch.
For best results, the higher the resolution, the better control we have over the finished print.

Any art file submissions not in the file formats above will be required
to be redrawn at an hourly art fee of \$25/ hour.

We can print any vector or bitmap file,
the artwork will just need to be emailed previous to any final quotes on pricing.

NEED A DESIGN? NO PROBLEM!

**We are happy to make a design for you.
Just give us an idea of what you want and we will do the rest.
You have the final approval on all art before it goes to press.**
