Store the
snap lock
bags
in the bin

Step 5
Contact us to
come and
collect the
bags

Step 6
We transport
them to
Research
Partners

Step 7
We
investigate
circular
initiatives

FREQUENTLY ASKED QUESTIONS

What is CigCycle?

A collection program for cigarette butts.

What happens to the cigarette butts?

No More Butts collects the cigarette butts and diverts to research projects to identify potential uses in the circular economy.

How does it work?

Collect cigarette butts from your existing ash trays, place them in the provided bags and store them in your CigCycle bin until we come and pick them up

How big is the bin?

We have two sizes available. Businesses will need a space that is 25-50 cm wide - we recommend a covered outdoor area.
