

Carousel Newsletter – October 2025

Hello Parents,

I Can't believe that fall is here already! We look forward to the cooler temperatures and the colorful changing leaves. We've had a wonderful start to our new school year. We recently hosted our first back-to-school night, and parents got to see what the Jr. Kindergarten class will be learning all year. In the month of September our children had fun learning about apples and the other theme Intro to my world where the children learned all about each other.

The theme for October is Plants and Harvest. We will have lots of fun activities throughout the month including Music for Life and our annual Halloween Parade and Party!

Teacher corner:

A teacher takes a hand, opens a mind, and touches a heart
