

Carousel Newsletter – March 2025

Hello Parents!

One of the best gifts you can give your child is the love of books. During the first week of March, we will transport ourselves to Dr. Seuss Collection. Dress your child as their fav book character or send them with their favorite book on March 3rd and we will have a book parade. Spring is here and it presents many learning opportunities. We will learn about Spring, the first day of spring is called the vernal equinox when there are 12 hours of both daylight and night. We see plants all around us every day. From trees to flowers to the grass in the park there is no doubt they look great. But there are so many more cool things about plants. Like the fact that they taste great, and did you know that we even wear plants as clothes! Let us explore the world of plants, starting last week of March. Bring out your green! St. Patrick's Day observed every March 17th is packed with parades, good luck charms, and all things green. The event started as a religious holiday, but over time it's become a celebration of Irish culture. We will have a lot of fun. Do not forget to wear something green On March 17th Monday.

Important Reminder: Report Cards are Coming home in March.
