

Carousel Newsletter – August 2022

Hello Parents!

It is hard to believe that we are finishing our Summer Camp Program. The children enjoyed the month of July by celebrating the 4th of July cooking and learning about the rainforest. We are excited about the fun activities we have planned for August. We will learn about different mammals and creatures of the sea. We will finish summer camp by remembering the fun times we have had with our friends and creating new memories with friend projects. The last three weeks of August we look forward to learning about space and the solar system, water birds and colors.

Weekly Themes:

Week 1: Under the Sea
