October 2021

Director's Corner

Hello Parents,

We cannot believe that fall is here already! We look forward to the cooler temperatures and the colorful changing leaves. We have had a wonderful start to our new school year. In the month of September, our children had fun learning about feelings and Apples, "Intro to my world", where the children learned all about each other.

We have made it to our second month of school! October is also the month for Halloween. We will be speaking with the children about Halloween safety and rules. The theme of the month Plants and Harvest.

Just a few reminders: please remember to sign your child in and out daily on the clipboards at the front desk. Also please remember to bring in an extra change of clothes that is suitable for the cooler temperatures and a sheet and blanket daily for naptime.

Thank you!
Admin Team

Calendar of Event

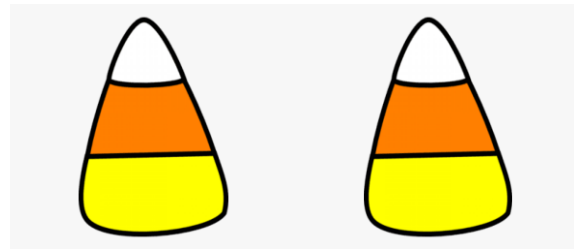

10/11 - Center Closed (Columbus Day)

10/15 - Pajama Day

10/21 - Police Department visit (10:00 am)

The police officer will be outside for the presentation.

10/29 - Halloween Parade (10:30 am)

Theme: Fall/Autumn, Harvest, Farm and Halloween

We will learn with the children about Halloween safety and rules. We will learn, "Where does our food come from?" We will learn about corn and pumpkins. We will discuss the taste, size, and shape of various types of pumpkin. We will learn signs of fall. We will talk about Columbus Day. We will learn and talk about fire safety and fire prevention.
