

Carousel Newsletter

January 2022

Director's Corner

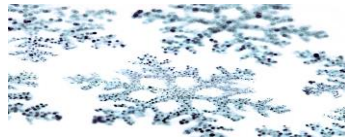

Hello Parents,

We hope everyone stayed safe and enjoyed the holidays.

We would also like to extend a special thank you to all our teachers and students for making our Christmas tree so beautiful. The children created the ornaments, and they were certainly the perfect addition to our tree.

The children will explore space, stars, and planets in our January curriculum. We will also discuss Ben Franklin, a founding father, and Martin Luther King, Jr., a recent activist. We will also discuss various winter animals and how they stay warm when it is cold outside as well as their habitat. Finally, we will end the month exploring the traditions of the Chinese New Year.

From all of us here at Carousel, we wish you and your family happy New Year!

The CCA Team

Calendar of Events
