

Thistle and Rose Lodge of Bedfordshire

We are a regular Freemason Lodge and part of the Province of Bedfordshire under the United Grand Lodge of England. We wish you a warm welcome and hope you find this information about our Lodge informative.

Why Join Us?

By joining Freemasonry, you would be joining the world's oldest society and charitable organisation, with three hundred years of recorded history. The Lodge is a multicultural, inclusive, and utterly unbiased environment. It is a wonderful place to make new friends, widen your friendship circle, and meet people who share your interests.

The Thistle & Rose Lodge meets six times a year for our official meetings, allowing us to meet and greet new and old friends from across the fraternity.

The Thistle and Rose Lodge meets at the Dunstable Masonic Centre on the second Friday of January, February, March, May, October, and November, starting at 5:30 p.m. It is a fantastic Lodge with an amazing diversity of members. Our members range from 20 to 80 years old and come from all occupations!

As you might guess from its name, the Lodge celebrates Burns Night at our January meeting and St. George's Day at our May meeting.

Thistle & Rose holds a Ladies' Festival at a local venue each year. Members, partners, family, and friends sit down to a formal meal, relax with a drink afterwards, and join in with the dancing if they wish.

We also have a WhatsApp Group, which members use to keep in touch with each other between meetings.

Charity

Charity is at the heart of Freemasonry. We are currently raising money for the Masonic Charity Foundation, which aims to be a force for good by providing support, care, and services to Freemasons and their families in need. The foundation also supports other charities that help society's most disadvantaged.

In recent years, we have also directly supported many other charities, including Kidney Care UK and Keech Hospice.
