The **Sterile Processing Program** is a 13-week program that includes SPD101 (Sterile Processing - Infection Control) and SPD111 (Sterile Processing - Externship), totaling 320 clock hours and 8 semester credits. SPD101 is a 7-week blended course, during which students attend campus for 56 Lab clock hours and complete 24 Theory clock hours online (80 clock hours/3 semester credits). Upon completion of SPD101, SPD111 is a 6-week full-time externship rotation at a clinical site (240 clock hours/5 semester credits). Instruction will be held at 1300 Fulton Pl., Fremont, CA 94539. Students will receive and/or be given access to a class schedule, including days and times, prior to the start of the first-class session. This Enrollment Agreement is in effect throughout the duration of the program, which is stated in the estimated cohort start date and expected cohort graduation date provided above. This Enrollment Agreement (and the policies and procedures listed in the Academic Catalog) is the only agreement between Silicon Valley Surgi-Tech Institute DBA SVSTI (hereafter, 'SVSTI') and you (hereafter, 'you' or the 'student'). Your rights and responsibilities as a Silicon Valley Surgi-Tech Institute student are further outlined in this agreement and in SVSTI's Academic Catalog, which SVSTI may amend from time to time.

Method of Delivery

The **Sterile Processing Program** at SVSTI offers a blended program in which students will utilize an LMS platform for Distance Education assignments in conjunction with face-to-face synchronous instruction on Campus. Campus-based instruction utilizes hands-on learning for Core Competencies, including applications, laboratories, and externships. Online courses require a commitment to substantial independent study and to accessing and participating in the platform. The online learning platform (Canvas) is accessible 24 hours a day, 7 days a week. The course syllabus, instructional materials, assignments, participation posts, resources, and instructor/student communications will be through the Canvas LMS platform. Students must have access to a computer with internet service to attend the blended programs. Upon completion of the Sterile Processing Program, students will earn a Certification of Completion in Sterile Processing.

Tuition and Fees

Tuition is due in full by the first day of class. Tuition charges and total program charges are estimated and may change for the following reasons:

- (a) You may have to repeat the course required for graduation.
- (b) The course in your program and the number of credit hours are subject to change.
- (c) Course materials (e.g., books, course packets, etc.) and associated costs are subject to change.

No other fees are required from any other entity to participate in the educational program. Upon completion of the program, there will be associated fees with the CBSPD: CSPDT certification exam (\$135+), which will be the student's responsibility outside of SVSTI.

Loans

If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from Federal Student Aid Program funds. If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

If the student defaults on a federal or state loan, both of the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

SVSTI does not extend any credit or lend any monies to students for institutional or non-institutional charges. You further acknowledge that you have discussed all terms of this agreement and understand that no financial services are available at this time. You may obtain financial support outside of SVSTI.

Title IV Funding

We currently do not participate in Title IV funding.

STRF Fees

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution,

prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF, and you are not required to pay the STRF assessment if you are not a California resident or are not enrolled in a residency program.

We have an office for the Program Director, an Admissions/Enrollment/Student Success Office, a breakroom, two ADA-compliant restrooms, and a well-equipped Classroom and Lab. We have a Student Resources Center that includes a conference room and library resources, as well as a variety of books and other materials, including flashcards, diagram posters, and workbooks. Students may borrow any resources for on-campus use, such as instrument books, for studying and completing assignments. We also have a Classroom with 26 computers that students may utilize during regular business hours or by appointment. SVSTI has a Staff Hub that includes Instructor cubicles, printers, and computers for faculty/staff.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at SVSTI is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the Certificate of Completion in Sterile Processing that you earn at SVSTI is also at the complete discretion of the institution to which you may seek to transfer. If the Certificate of Completion in Sterile Processing that you earn at this institution are not accepted at the institution to which you wish to transfer, you may be required to repeat some or all of your coursework at the institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending SVSTI to determine if your Certificate of Completion in Sterile Processing will transfer.

Transfer Credit(s) Policy

Educational credit(s) earned at another institution may be evaluated for transfer to Silicon Valley Surgi-Tech Institute's (SVSTI) Surgical Technology Program.

All transferable credit(s) must meet the following criteria:

- The credit(s) must be earned at an institution accredited by an agency recognized by the United States Department of Education (USDE) or the Council for Higher Education Accreditation (CHEA), **OR**
- Be recommended college credit(s) evaluated by the American Council on Education (ACE), or the National College Credit Recommendation Service (NCCRS).
- Grade received is a C or higher (2.0 or above on a 4.0 scale).

Transfer credit(s) are also evaluated for acceptance in accordance with Silicon Valley Surgi-Tech Institute requirements. Official transcripts documenting coursework must be provided at the time of admission/enrollment for the Surgical Technology Program. If official transcripts from any/all institutions attended are not provided prior to admission/enrollment, students must complete the required course(s) with Silicon Valley Surgi-Tech Institute. Silicon Valley Surgi-Tech Institute does not offer credit(s) through challenge exams or achievement tests. SVSTI will accept credit(s) earned through challenge exams and achievement tests, as listed here in the transfer policy. SVSTI may ask for additional supplemental information, such as a syllabus or course description, that will support the student's request to transfer credit(s) to SVSTI.

Students must complete at least 25% of the program requirements at Silicon Valley Surgi-Tech Institute.

Silicon Valley Surgi-Tech Institute maintains a record of all transfer credit evaluations and maintains transcripts received for evaluation within the student's record. These transcripts become the property of Silicon Valley Surgi-Tech Institute and are not copied or forwarded to other institutions.

Courses will be considered for credit transfer if:

- The educational quality of the acquired learning for which the student seeks credit.
- The comparability of the content, scope, and rigor of the acquired learning to that offered by SVSTI.
- 3 or more credit hours.
- Grade received is a C or higher (2.0 or above on a 4.0 scale).

Transfer credit(s) must have been earned within 15 years for General Education courses to be considered because typically, advancements in the field evolve the understanding or practical methodologies used within them. Because methodologies taught then may be regarded as outdated now (prior to admission/enrollment), and course content can vary between schools, all transfer credit(s) is reviewed on a course-by-course basis.

Transfer credit(s) can be awarded if the course comparability aligns with SVSTI General Education courses.

Courses may not be accepted for transfer if the content is misaligned, there is not enough information to determine compatibility, the course presented does not carry enough credit hours to be accepted, the grade presented falls below SVSTI's acceptable threshold, or the course is deemed as non-transferable, thus making it ineligible to receive transfer credit(s) regardless of prior education.

Final decisions on academic credit for transfer credit(s) are made by the General Education Coordinator and/or Chief Academic Director.

All approved transfer credit(s) will be deducted from the student's tuition.

Currently, SVSTI does not charge students any fees for transferring credit or for assessment of transferred credit. SVSTI currently does not award credit for prior experiential learning. SVSTI can evaluate prior Surgical Technology coursework only from a CAAHEP or ABHES-accredited program for credit transfers. If prior Surgical Technology education from an accredited program is found equivalent to the SVSTI Surgical Technology Program, the applicant must take a skills competency evaluation to assess skills and ensure correct placement in the program.

Block Transfer Acceptance

Completion of a bachelor's degree or higher from an agency recognized by the United States Department of Education (USDE) or the Council for Higher Education Accreditation (CHEA) will fulfill SVSTI's General Education requirements for the Associate of Applied Science in Surgical Technology. Must have a GPA of 2.0 or higher to qualify for block transfer acceptance.

Credit for Prior Learning

Credit for Prior Learning may be obtained by one of the following methods:

- Achievement of a score of 3 or higher on an Advanced Placement Examination administered by the College Entrance Examination Board.
- Achievement of a score that qualifies for credit by examination in the College Level Examination Program.

- Achievement of an examination administered by other agencies approved by the discipline faculty.
- Assessment approved or conducted by the discipline faculty of the college.

Credit may be awarded for prior learning only for individually identified courses with subject matter similar to that of the individual's previous knowledge, and only for a course listed in the Academic Catalog.

Advanced Placement (AP) Credit

SVSTI participates in the Advanced Placement Program to recognize college-level academic achievement prior to admission/enrollment. AP scores must be 3 or higher to be transferred. AP scores are equivalent to the following transferable grades: 5 = A, 4 = B, 3 = C.

Any student who passes and submits a College Board Advanced Placement (AP) examination with a minimum score of three in a subject matter may be awarded credit in a General Education area with a subject matter similar to that of the AP examination. Course-to-course equivalency for AP examination is determined by the appropriate discipline faculty. If the district does not offer a course similar in content to an AP examination, SVSTI may award credit in the General Education area shown on the California Community College General Education AP List. A student's academic record will be annotated to reflect credit earned through an AP examination.

Final decisions on academic credit for some AP scores are made individually by the General Education Coordinator and/or Chief Academic Director.

College Level Examination Program (CLEP)

The College Level Examination Program (CLEP) is a credit-by-examination program that measures a student's level of comprehension of introductory college-level material and, while concurrently earning college credit(s). CLEP tests with a score of 50 or higher, with a credit of 3 units or higher, must be obtained to be considered as transfer credit(s).

CLEP with [study.com](https://www.study.com) students must sign up for the College Starter Plan or the College Saver Plan (not the CLEP Test Prep Plan). [College Credit | Pricing | Study.com](#)

If a student decides to complete any transferable credit(s) through [study.com](https://www.study.com), they must earn a 70% or higher to successfully earn the college credit(s) for transfer.

The student must provide an official transcript to SVSTI. [How Do I Request a Transcript from Study.com?](#)

All transferable credit(s) must meet the following criteria:

- The credit(s) must be earned at an institution accredited by an agency recognized by the United States Department of Education (USDE) or the Council for Higher Education Accreditation (CHEA), **OR**
- Be recommended college credit(s) evaluated by the American Council on Education (ACE), or the National College Credit Recommendation Service (NCCRS).
- Grades received are a C or higher (PASS).

All transferable credit(s) are subject to review and approval by SVSTI and reserves the right to deny any transfer credit(s) that do not meet institutional or program standards.

Admissions/Enrollment Requirements for Applicants with Foreign Education/Foreign Academic Evaluations

Applicants who have degrees and/or transcripts from foreign institutions of higher education must have these credentials evaluated by a recognized agency, such as:

- Scholaro ([Credential Evaluation](#))
- World Education Services, Inc. (www.wes.org)
- International Education Research Foundation, Inc. (www.ierf.org)
- Educational Credential Evaluation, Inc. (www.ece.org)

Applicants to SVSTI programs must obtain a credential evaluation from an approved SVSTI credential evaluation service.

SVSTI recommends that applicants obtain a course-by-course evaluation. This evaluation is intended to ensure that the foreign degrees and transcripts are equivalent to those issued by institutions of higher education in the United States.

All students who have earned an undergraduate degree outside the United States must submit a copy of their degree and English translations of their transcripts. Students must also have their transcripts evaluated by a 3rd-party evaluation service to show the type of degree they have and the grade equivalent (GPA) in the United States format. The official document-by-document credential evaluation, including the GPS calculation, must be sent directly to SVSTI by the evaluating party via email or mail.

Students may refer to <http://naces.org/members.htm> to select an alternate evaluation service. The approved evaluation services listed on www.naces.org are unrelated to SVSTI, and the student will be responsible for any associated fees. If a student wishes to transfer credit(s) from a foreign institution, a course-by-course evaluation (including GPA calculation) will be required. If the student's degree and transcripts are issued in a

language other than English, they will be required to be translated into English. Suggested translation service: <https://www.universal-translation-services.com/services/certified-translations/diploma-translation-services/>

All transfer credit(s) and block transfers will be approved by the General Education Coordinator and/or Chief Academic Director. All education from foreign institutions must be evaluated and translated into English (must be submitted within 30 days of enrollment, but prior to 1st day of class).

SVSTI amidst high school graduates and applicants beyond the age of compulsory school attendance who have a General Education Development GED® (GED® is a registered trademark of the American Council on Education (ACE) credential or Certificate of Proficiency equivalent to a high school diploma. English language proficiency equivalent to a high school diploma or high school equivalency diploma is required.

Cancel/Withdrawal Refund Calculated

If the student withdraws from the program after the period allowed for cancellation of the Enrollment Agreement and has completed 60% or less of the course of the attendance period, SVSTI will calculate whether a tuition refund is due, and if so, remit a refund within 45 days following the student’s completed withdrawal. For students receiving funds through the Federal Student Aid Program, unearned funds will be returned to the aid programs in the order required under Federal Law. For non-federal student financial aid program funds, the institutional/California state refund policy shall be a pro rata refund of the funds paid for institutional charges for students who have completed 60% or less of the course of the attendance period. The pro rata percentage is based on the number of days of attendance within the attendance period. If any portion of those charges was paid from the proceeds of a non-federal loan, the refund will be returned to the lender or, if any, the guarantor of the loan. Any remaining balance will be paid to the student.

CANCEL OR WITHDRAWAL	REFUND CALCULATED
Within 7 days of admission/enrollment or the first class session (Cancellation).	Up to 100% of monies paid, less \$100.00 Registration or STRF Fee(s).
Completion of up to 60% of the course of the attendance period (Withdrawal).	Pro-rated refund based on withdrawal date.
Completed over 60% of the course of the attendance period (Dropped).	No refund.

I understand that this is a legally binding contract. My signature below certifies that I have read, understood, and agreed to my rights and responsibilities, and that the institution’s cancellation and refund policies have been clearly explained to me.

Personally Identifiable Information

SVSTI is required to collect the Social Security Number (SSN), phone number, email, full legal name, physical street address/ mailing address/ P.O. Box, city/state/zip code, date of birth, gender, ethnicity/race, military status, citizenship status, level of education, and driver's license number for a variety of legally mandated activities, including but not limited to income tax reporting and administration of federally supported financial aid programs. Gender, ethnicity/race, citizenship status, and date of birth are not used in determining admission. The SSN is not used as the student's primary identification; however, students who do not provide this information at the point of application may experience a delay in financial aid processing.

SVSTI has adopted privacy policies and practices designed to protect student educational records and information. Only information required to efficiently conduct our business and meet state and federal reporting requirements is collected. The information collected is only disclosed as permitted under the Family Educational Rights and Privacy Act (FERPA) of 1974, as amended. SVSTI FERPA policy is printed in the Academic Catalog.

Nondiscrimination Policy

SVSTI is an educational institution that admits academically qualified students without regard to gender, age, religion, national origin, sexual orientation, political affiliation or belief, or disability, and affords students all rights, privileges, programs, employment services, and opportunities generally available to them. SVSTI complies with section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 and does not discriminate on the basis of disability.

Americans with Disabilities Act

Silicon Valley Surgi-Tech Institution complies with the provisions of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, and all applicable federal, state, or local laws that prohibit discrimination based upon a person's disability. It is Silicon Valley Surgi-Tech Institution's policy that no qualified student be excluded from participating in any program or activity or be subjected to discrimination regarding any program or activity due to their disability. To better serve its students and applicants, Silicon Valley Surgi-Tech Institution will provide reasonable accommodations/modifications to qualifying individuals with disabilities. The individual must meet the essential eligibility requirements of Silicon Valley Surgi-Tech Institution to participate in programs or activities with or without reasonable accommodation/modification. Students who require accommodations or modifications should notify the Admission/Enrollment Office. The student will be required to provide supporting documentation of disability/diagnosis. All requests are evaluated on a case-by-case basis. Acceptable proof may include, but is not limited to, a diagnosis of the disability, test results, and/or evaluations provided by a medical doctor or psychologist completed within the past five years.

Health Requirements/Immunizations

We are committed to your success and want to make sure that you are aware of important facts that could impact your future.

_____ (initial) I understand that I must provide documentation of required immunizations, and that this documentation must be submitted before I can be released to any Externship or clinical site. Titer Reports (blood tests) include Tuberculosis (QuantiFERON TB blood test, not a skin test, along with a chest x-ray if negative), Measles (MMR), Mumps (MMR), Rubella (MMR), Varicella (Chickenpox), and Hepatitis B (Hep B). Along with any childhood immunizations and/or current immunization records, Basic Life Support Card (BLS - American Heart Association only), HIPAA, Tetanus, Diphtheria, and Pertussis Vaccine (Tdap), Dr.'s Note/Physical Exam/Statement of Health, Influenza Vaccine (Flu), COVID-19 Vaccine, and COVID-19 Booster. Also, must complete a background check and drug test. All costs associated with these requirements, including providing

this information to SVSTI, are my responsibility. Students are not eligible to participate in any programs with any active/contagious conditions/diseases.

Academic Catalog

_____ (initial) I acknowledge and understand how to access the SVSTI Academic Catalog.

The Academic Catalog is available on our website at www.svsti.com.

Student Handbook

_____ (initial) I acknowledge and understand how to access the SVSTI Student Handbook.

The Student Handbook is available on our website at www.svsti.com.

Performance Fact Sheet

_____ (initial) Prior to signing this Enrollment Agreement, you must be given a catalog or brochure and a School Performance Fact Sheet, which you are encouraged to review prior to signing this agreement. These documents contain important policies and performance dates for this institution. This institution is required to have you sign and date the information included in the School Performance Fact Sheet relating to completion rates, placement rates, license examination passage rates, and salaries or wages, and the most recent three-year cohort default rate, if applicable, prior to signing this agreement.

_____ (initial) I certify that I have received catalog, School Performance Fact Sheet, and information regarding completion rates, placement rates, license examination passage rates, and salary or wage information, and the most recent three-year cohort default rate, if applicable, included in the School Performance Fact Sheet, and have signed, initialed, and dated the information provided in the School Performance Fact Sheet.

High School Graduation or Equivalency Attestation

_____ (initial) I attest that I have successfully completed high school or have obtained credentialing equal to that of a high school diploma (i.e., GED, high school equivalency/proficiency, etc.).

Personal Race/Ethnicity

SVSTI collects and reports the racial/ethnic backgrounds of students, faculty, and staff. Requests for such information also come from state governments, accrediting agencies, SVSTI guides, newspapers, and other sources. In order to respond to these requests, we ask that you answer the following two questions:

Do you consider yourself to be Hispanic/Latino/Spanish? Yes No

In addition, select one or more of the following racial categories to describe yourself:

Drug Use, and/or Background Check Acknowledgment

We are committed to your success and want to make sure that you are aware of important facts that could impact your future.

If you have passed, pending, or future criminal convictions, you may be prohibited from obtaining certifications, licensure, or employment in your field of study. Admission/enrollment into the Externship or clinical sites often requires successful completion of a background check and drug test. Falsifying information, such as on a background check or a drug test, may prevent you from being accepted into an Externship or a clinical site. Should this occur, SVSTI may withdraw you from the program. Any refund of tuition and fees will be calculated in accordance with the Refund Policy outlined in the Academic Catalog at www.svsti.com.

Distance Learning Policy

SVSTI offers blended programs and requires students to attend on-campus instruction along with instructional hours off-site through an online learning platform. Each student must have access to a computer with internet service to attend our blended program(s). Surgical Technology and Sterile Processing students will be granted access to the LMS platform(s) a minimum of one week prior to the program start date. Selected Distance Education assignments through Canvas (Sterile Processing and Surgical Technology) and Cengage (Surgical Technology only) will be graded automatically. This provides students with immediate feedback on their progress. All tests, evaluations, and assignments not automatically graded will be graded and posted within 72 hours of submission.

SVSTI's Distance Educational Programs are not offered in real time and shall transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission.

All Distance Education courses must be completed by the registered student. Any attempt to have someone else complete the course requirements, assignments, or examinations on behalf of the student constitutes misrepresentation and is considered a violation of academic integrity. Such actions constitute academic dishonesty and may result in disciplinary action, including, but not limited to, course failure and further academic consequences.

SVSTI does not guarantee job placement; however, we do provide clinical site placement as part of the curriculum, which may lead to professional placement. Silicon Valley Surgi -Tech Institute is an Equal Opportunity Employer, and Program Auxiliary Aids and Services are available upon request to individuals with disabilities.

Mission Statement

SVSTI is committed to our students' success by providing the curriculum and skills to help them achieve their goal of becoming active, sought-after participants in the medical community. We are dedicated to helping students master communication skills, critical thinking, respect, accountability, and personal responsibility. We support our students, educators, and our community by providing a safe environment, qualified graduates,

and financially viable programs in the evolving field of medicine. Our skilled, knowledgeable, and certified educators specialize in preparing students for the exciting field of medicine. Skills training and Core Competencies are our focus for personal and professional growth in the medical field. We encourage the highest potential in every student. We strive for quality in every endeavor and are committed to meeting the needs of our students, faculty/staff, and the professional medical community.

Additional Information

Compliance with SVSTI's Policies:

You agree to comply with all SVSTI's policies, including, but not limited to, policies regarding tardiness, grades, attendance, leaves of absence, conduct, honesty, safety, harassment, discrimination, satisfactory academic progress, and payment. If you fail to comply with SVSTI's policies, you may be withdrawn/dropped. Tuition will be refunded in accordance with the SVSTI's Refund Policy.

Cancellation Right:

SVSTI may cancel a starting class for any reason, at any time. If your program or class start is cancelled, you will receive a full refund of all monies paid.

Curriculum:

SVSTI may modify or improve program content or change accreditors at any time. Changes to programs or accreditors are typically based on recommendations arising from the SVSTI's program review process, which includes input from Program Advisory Committees composed of employers who assist SVSTI in better meeting industry needs and standards. Program changes may result in modifications to the length, content, material, or schedule of your program. SVSTI reserves the right to change institutional or programmatic accreditors at any time.

Graduate Employment:

Neither SVSTI nor any of its representatives can promise or guarantee that you will find a job or secure employment with a specific rate of pay. Your academic performance will greatly influence the success of your employment search. While placement in a job is not guaranteed or promised to persons who complete the program, every effort will be made to assist you in securing employment. Employers may be influenced by factors other than technical training, such as your attendance, grade point average, professional appearance and behavior, positive attitude and demeanor, references, and background investigation findings.

Substance Testing Program:

SVSTI is committed to providing a productive and safe learning environment for all students. In accordance with this goal, SVSTI reserves the right to investigate students suspected of drug or alcohol use. Such an investigation may require a student to submit to a drug or alcohol test. Students must consent to provide blood, breath, and/or urine samples, upon request by an authorized representative of SVSTI, to determine whether they are under the influence of drugs, alcohol, or other chemical intoxicants while enrolled in the program. Students are expected to fully cooperate with SVSTI, its representatives, agents, medical review officer (if any), and any representative or agent of a clinic, laboratory, and/or hospital involved in the sample collection, testing, evaluation, reporting, and confirmation. Students must further consent to and authorize the release of all information generated by or obtained from the substance test to SVSTI, its agents, representatives, insurers, and appropriate governmental agencies. To the extent allowed by applicable law, you release and hold harmless, individually and collectively, each person or business entity involved in the sample request, collection, testing, evaluation, and reporting for any decisions, adverse or otherwise, made concerning your continued admission/enrollment based on the test results. You understand that (a) your refusal to comply in all respects with the terms contained herein or (b) a positive test result may be grounds for disciplinary action, which may include dismissal.

Publicity Waiver and Release Disclosure:

You grant SVSTI and its affiliated companies, including U.S. Education Corporation and each of their respective agents, licensees, designees, successors and assigns (collectively, "SVSTI"), the absolute, royalty-free, irrevocable, worldwide, right and permission, with respect to any testimonial (written or oral), photographs, film, video or other images, or sound recordings taken of you by Silicon Valley Surgi-Tech Institute: (a) to use, re-use, publish, re-publish, copy, modify, display and create derivative works in the same in whole or in part, individually or in conjunction with other photographs, images, recordings or testimonials in any medium (including, without limitation, in print and on the Internet) and for any purpose whatsoever, including, without limitation, in advertising, marketing, publications, electronic distribution, and the internet and for any other commercial purpose; (b) to use your name in connection therewith if SVSTI so chooses; and (c) to copyright the same in the name of the SVSTI, or any other name that SVSTI may choose.

You understand that you will receive no compensation for the permitted use of any testimonial (written or oral), photographs, film, video, or other images, or sound recordings taken of you by SVSTI or of your name. You release and discharge SVSTI, its successors, assigns and any designee (including any agency, client, broadcaster, periodical, or other publication) from any and all claims and demands arising out of or in connection with the use of such photographs, film, video or other images, sound recordings, or testimonial, including, but not limited to, any claims for defamation, invasion of privacy, right of publicity, emotional distress, or any similar right. You hereby waive any and all rights you may have in and to such photographs, film, video, or other images, sound recordings, or testimonial and assign all such rights you may have to SVSTI.

Student Health Information:

Students in certain programs require immunizations due to aspects of the program, including the practice of invasive procedures such as venipuncture and injections (see the Immunization Requirements Policy and the Academic Catalog for immunization requirements). In addition, when such classroom practices are a required part of the curriculum, students are required to participate in the activities in order to graduate from the program. Students will be taught workplace safety practices to limit their risk of injury or illness as part of their curriculum, and are always required to take standard precautions to minimize risk of exposure to communicable diseases such as hepatitis B, tuberculosis, and HIV/AIDS. You are responsible for all costs associated with health screenings and immunizations.

Licensing and Certification:

SVSTI encourages all graduates to enroll in the appropriate licensing and certification examinations to maximize their employment potential. Students are responsible for all costs associated with obtaining such licenses and certifications. Students should understand that licensing and certification requirements vary from state to state. No guarantee is made regarding licensing and certification in any state or country. SVSTI does not guarantee students will successfully pass these exams or be certified or licensed as a result of completing the program.

Conviction History and Background Checks:

If you have ever been convicted of a crime, you may be prohibited from obtaining certification, licensure, or employment. Registration for select programs is subject to the successful completion of a background check. Acceptance for Externships and clinical sites may also require successful completion of a background check. If you falsify information or are not granted acceptance based on the successful completion of the background check, SVSTI may withdraw you from the program, and your right to any refund of tuition shall be as outlined in our Cancellation and Refund Policy.

Tutoring:

Available tutoring hours are posted in the Student Success Office during regular business hours. Tutoring

sessions are also available by appointment with an Instructor as needed. Students have 24-hour/7-day-a-week access to the Canvas LMS platform until the completion of the CBSPD: CSPDT certification exam. There are many resources available to students on the platform and the curriculum recommended by the CBSPD via their materials, such as books, workbooks, and study guides.

Uniforms:

Black scrubs will be purchased by the student and worn on Campus and possibly during Externship if the clinical site does not provide their own scrubs.

In-resident housing:

SVSTI does not offer housing, nor is it responsible for finding or assisting students in finding housing. We do not have dormitory facilities; however, there are plenty of apartments and housing available in the vicinity of the Campus.

The average rent near the Campus location (1300 Fulton Pl., Fremont, CA 94539) is \$2,813.00 according to [Average Rent in Fremont, CA: 2025 Rent Prices by Neighborhood](#).

We are located near Highways 84, 101, 880, 680, and 237, and BART, Caltrain, and Bus Lines are nearby.

SVSTI does not participate in the Ability-to-Benefit Program. SVSTI does not participate in the Student and Exchange Visitor Program to provide visa services or vouch for student immigration status. There are no associated charges.

SVSTI does not participate in the Ability-to-Benefit Program. SVSTI does not participate in the Student and Exchange Visitor Program to provide visa services or vouch for student immigration status. There are no associated charges.

Policies and Procedures

Completing and submitting this form provides consent without obligation for SVSTI to call, text, and/or email you about your education by our automated means or prerecorded messages at the number(s) and/or email address you provide.

For Externship placement and employment assistance, your signature on this Enrollment Agreement authorizes the release of all information pertaining to your student records (including cover letters, resumes, and references to any prospective employer(s) and/or Externship sites), as well as objective evaluations by SVSTI or its staff/faculty. In addition, your signature authorizes SVSTI to contact your employer to obtain employment verification.

Externship rotations will take place at a medical facility within 2 hours of the Campus (please see the Externship Policy and Expectations for details). We have a wide variety of affiliation agreements with hospitals, surgery centers, and other medical facilities. We will do our best to place the students at a site close to where they live or work, but this is not always possible. All students are guaranteed clinical placement in a timely fashion. In most cases, this is done immediately after completing the coursework. Students are responsible for obtaining the required immunizations and will not be secured for Externship until all required documents are submitted to the Program Director. Each facility has different requirements; therefore, placement will depend on where the student is placed. Each affiliate agreement that SVSTI has established contains these requirements. The student will be notified if requirements differ from the list they are provided at admission/enrollment (also listed on our website at www.svsti.com).

The Basics of Sterile Processing Textbook, 8th edition, Sterile Processing University LLC., and The Basics of Sterile Processing Workbook, 8th edition, Sterile Processing University LLC. will be purchased by the student. SVSTI might be able to loan an older version of the textbook to the student (if available and at no additional

charges) until the student receives their textbook. Students must complete a Book Rental Agreement when borrowing a textbook and are expected to return the borrowed item to the Campus in a timely manner or pay to have the textbook replaced.

Attendance is critical to your success at SVSTI, just as it will be critical to the success of your new career. Be sure to arrange a reliable means of transportation to and from the institution. Plan for alternative (or back-up) transportation in the event your primary means of transportation is unavailable. Be sure to have childcare arrangements in place, including back-up childcare. Have a solid plan so that you can attend the institution every day. Carefully assess your homework responsibilities. Do you have a quiet place to study? Have you made arrangements so that the children will be content to let you study? SVSTI's program requires study time. Be sure to set time aside each day to focus on yourself, your studies, and your goals. Students must complete and submit all assigned work on time. Homework is required; therefore, adequate study time is essential. Students are expected to complete unrecognized outside hours of study/homework for the course (please refer to the course syllabi).

Any violation of academic integrity is a serious violation and therefore subject to disciplinary action, up to and including dismissal from SVSTI. A student may be dropped from the program for:

- o Disciplinary actions, including but not limited to being dismissed from a clinical site.
- o Drug or alcohol usage on Campus or clinical site.
- o Lack of academic integrity.
- o More than two (2) absences.
- o Two (2) attempts of a grade consisting of lower than 70%.
- o Theft.

At SVSTI, we maintain a professional environment similar to what you will encounter in your new career. We have a responsibility to employers to uphold the highest level of professionalism expected in the workplace. Please always conduct yourself in the most professional manner and be aware of the following guidelines:

- o Use professional and courteous language. Profanity is not acceptable. Slang is not deemed professional in the healthcare workplace.
- o Respectfully address all Instructors with the appropriate title (Ms., Mr., Dr., etc.).
- o Always remain alert in class. Fully participate in class activities and team projects.
- o Take responsibility where appropriate and do not be critical of others.
- o Practice a high level of motivation, initiative, cooperation, and attitude.
- o Students who must repeat a course may be subject to additional fees. SVSTI refunds tuition if a student cancels an Enrollment Agreement or withdraws during a period of less than 60% of attendance, resulting in a pro rata refund.

SVSTI does not offer English as a Second Language (ESL) coursework. All instructions and services are provided in English only.

SVSTI only offers the Enrollment Agreement in English; however, it is posted on our website at www.svsti.com. Google Translate is available to translate the Enrollment Agreement into other languages, ensuring that a student understands the terms and conditions, as English may not be their primary language.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year, and excludes all students who canceled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program, minus the number of students who have died, been incarcerated, or been called to active duty.
- “Number of On-Time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-Time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students who leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or Bureau-approved Post-secondary Institution.
- “Graduates Employed in the Field” means graduates who begin within six months after a student completes the applicable educational program and are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completes the program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by a graduate's or graduates' employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the institution was not able to obtain salary information.

Immunization Requirements Policy

The following requirements are based on the California State Department of Health Services' recommendations and the clinical site's requirements. You may not be eligible for placement if the following requirements are not completed and submitted by the required due date. **You must complete the following immunizations and provide documentation to the Admission/Enrollment Office no later than the 2nd weekend for the Sterile Processing Program and the 2nd week of Term 2 for the Surgical Technology Program.** For the Sterile Processing Program, it is best to have immunizations completed before you start the course to ensure you are placed on time and do not have to repeat your program.

Background Check, Drug Test, and proof of purchase/receipt are required before the first day of class (Sterile Processing) or the 2nd week of Term 2 (Surgical Technology).

A **Titer Report (Blood Test)** must be completed, and the results must be submitted to the Admissions/Enrollment Office by the designated due date. The results must say **IMMUNE**. Suppose your Titer Report indicates that you are not immune to any of the following: **Measles/Mumps/Rubella/Hepatitis B/Varicella**. In that case, you must get a vaccination and take another Titer Report, which must say **IMMUNE** (30 days after the last immunization) to begin your Externship on time. **If there is no prior proof of the 3-shot series (Hepatitis B) and 2-shot series (Varicella, Measles, Mumps, Rubella), it could take up to 6 months to acquire immunity.*

Since you must complete and submit a Titer Report for Measles/Mumps/Rubella/Hepatitis B/Varicella, it is best to also request a **Tuberculosis (QuantiFERON TB) Blood Test** from your medical provider or doctor during your appointment.

Yellow = Blood Test

1. **Tetanus, Diphtheria, Pertussis Vaccine (Tdap)** - Must show proof of vaccination (within 10 years). If it has expired or if there is no proof of vaccination, then it is required. Also, if your vaccination is expiring while you are enrolled in the Sterile Processing or Surgical Technology Program, you must receive another vaccination.
2. **Tuberculosis (QuantiFERON TB)** - Must get a negative QuantiFERON TB test (a Blood Test, not a skin test) within 6 months of Externship. If the result is positive, then a chest X-ray must be completed to show proof that you are inactive with the disease. If your chest X-ray is clear, then testing is complete.
3. **Measles, Mumps, and Rubella (MMR)** - Must show proof on Titer Report with numerical values and within 6 months of Externship. Must be immune to all; if there is no immunity, then vaccinations are required. After vaccination, you must wait 30 days before completing another MMR titer test. If you are still not immune, you will need to complete another vaccination series.

4. **Hepatitis B (Hep B)** - Must show proof on Titer Report with numerical values and within 6 months of Externship. Must be immune to all; if there is no immunity, then vaccinations are required. After the vaccinations, you must wait 30 days before completing another Hepatitis B titer test. If you are still not immune, you will need to complete another vaccination series.
5. **Varicella (Chickenpox)** - Must show proof on Titer Report with numerical values and within 6 months of Externship. Must be immune to all; if there is no immunity, then vaccinations are required. After the vaccinations, you must wait 30 days before completing another Varicella titer test. If you are still not immune, you will need to complete another vaccination series.
6. **Dr.'s Note/Physical Exam/Statement of Health** - Must show proof from your physician or doctor releasing you to be in good health for Externship.
7. **Basic Life Support Card (BLS)** - Must show proof of current BLS card (**American Heart Association only**). If a student does not have a BLS card, SVSTI offers a designated class for \$70.00, payable to the American Heart Association Instructor. Please email the Admissions/Enrollment Office to see when the scheduled BLS classes are.
8. **Influenza Vaccine (Flu)** - Must show proof of vaccination (all students must have for that calendar year).
9. **COVID-19 Vaccine and Booster** - Must show proof of vaccination.
10. **HIPAA** - Must show proof of completion.
11. **Immunization Records** - Must show proof of immunization records and/or any childhood immunization records.

I have reviewed the SVSTI Immunization Requirements Policy, and I understand that **ALL IMMUNIZATIONS** must be completed by the required due date. If I have not completed the immunization requirements on time, I am subject to failing and may be required to repeat the entire Sterile Processing Program or the Surgical Technology Term, resulting in additional tuition and fees.

Lab Safety and Maintenance Policy

Safety of self and others is the primary concern in the laboratory setting. To ensure the safety of students, faculty, and staff in the laboratory, students are expected to follow the policies and procedures for Lab Safety and Maintenance. Students are encouraged to expand their skills through safe practice. Demonstration of critical safety elements by faculty/staff is required prior to any student being allowed to use any equipment. Students will be required to demonstrate appropriate safety with all equipment, techniques, and procedures in the laboratory prior to practicing in the field.

General Lab Safety Rules and Policies:

- No long sleeves are allowed under scrub tops.
- No bulky/large/chunky jewelry. Simple necklaces and post-earrings are permitted.
- No facial jewelry.
- No rings or bracelets of any kind.
- No hats of any kind are allowed in the Lab.
- Minimal makeup is permitted. No false lashes.
- No fake (Gel or Acrylic) nails. Nails should be short and natural in color without polish.
- Beards must be kept trimmed. No hair extensions or unnatural hair color.
- Good personal hygiene must always be maintained.
- Students will be responsible for sterilizing items.
- Students will be responsible for keeping soiled towels in the hamper and folding clean ones.
- Students will be responsible for informing their Instructor or Program Director when an item needs to be reordered or restocked.
- Any accidents, injuries, or unexpected responses to interventions or skills being practiced should be reported immediately to the Lab Instructor.
- Students must report any unsafe situations to staff or faculty immediately.
- Though every effort is made to ensure that all equipment is functioning properly, students must notify the Instructor of any broken or malfunctioning equipment.
- Absolutely no cell phones can be used during instruction time. If you are seen using your phone during class/Lab, your Instructor will ask you to leave and has the right to send you home for the day.
- You are considered tardy if you arrive 1 minute after the start of class. You will also be considered tardy if you leave class early. Weekly Lab Evaluations cannot be made up. The door will be locked 5 minutes after class starts.
- Students are only allowed in the Lab when an Instructor is present.
- No open-toed shoes are allowed in the Lab.
- Teamwork is expected.
- No food or drinks are allowed in the Lab/Classroom at ANY time.
- Weekly Lab evaluations cannot be made up. If a student is more than 15 minutes late, an absence will be recorded.

Lab Maintenance:

- Students are responsible for cleaning the Lab after every class and for completing the weekly cleaning list.
- All equipment and treatment areas shall be cleaned following each use with an approved antimicrobial cleanser.
- All countertops / flat surfaces will be cleared off and cleaned.
- Timers will be put back on the whiteboard.
- Timers will be turned off and placed in the appropriate bin.
- Floors will be swept and mopped.
- All equipment will be wiped down with disinfectant wipes.
- Scrub sinks will be cleaned.
- Trash will be taken out.
- Trash will be collected and taken out.
- All equipment and supplies should be returned to their designated storage areas at the end of each Lab/class.
- Students should adhere to the Hazardous Materials safety precautions when using chemical cleansers.
- No Lab equipment or supplies may be removed without the Lab Instructor's written consent.

Initial the Following:

- I understand and have read where the Emergency Preparedness and Response Plan Binder (*Evacuation for Earthquake, Fire, and Medical*) is. The binder is kept in the Lab.
- I understand and have read where the MSDS Binder (*Material Safety Data Sheets Binder*) is. The binder is kept in the Lab.
- I understand and agree to follow all policies in the Lab Safety and Maintenance Policy.

Classroom Expectations and Lab Rules

- You are expected to be in class on time; **be early, and 1 minute** after the start of the class is considered tardy. More than **15 minutes late** is considered **an absence**.
- Leaving **15 minutes EARLY is considered tardy; exceeding 15 minutes is considered an absence**.
- Failure to sign in before class begins is considered an absence. **You MUST sign in before class begins!**
- **Sterile Processing Program - 2 Tardies** are an **absence**. No more than 2 absences are accepted for the **ENTIRE** duration of the Sterile Processing Program. This includes **ANY** tardies.
- **Surgical Technology Program - 3 Tardies** are an **absence**. No more than 3 absences are allowed per 16-week term, **except** for clinical rotations, where students are allowed only 2 absences for the entire Externship. This includes **ANY** tardies.
- **Phones remain in a designated bin or locker (NOT in the Classroom/Lab)** on vibrate or off, unless pre-approved by Instructor(s). **NO** pictures or videos taken unless pre-approved by Instructor(s).
- You must adhere to the **Lab Safety and Maintenance Policy**.
- **No smoking or vaping** on the premises.
- **No hanging out**, learning, or sitting at the table(s) **during Lab**.
- **No bathroom breaks** during scheduled class unless pre-approved by the Instructor (to prepare you for the field).
- **No food or drinks** permitted at any time during class/Lab.
- **Questions are welcome**, but arguing will not be tolerated.
- **No make-up** assignments, quizzes, Competencies, or tests are given.
- **All paperwork** must be **legible and include your name** and the date to receive credit.
- **Teamwork is required**. Turnover and/or clean-up must be shared equally.
- Students who have signed up for any **Open Lab** must attend or give **48 hours' notice**; they will not be in attendance. If a 48-hour notice is not received through Band (Surgical Technology) or Canvas (Sterile Processing), it will result in a tardy.
- **A passing grade must be maintained** throughout the Sterile Processing Program and Surgical Technology Program. Failure to meet the passing grade requirement will result in academic disciplinary action, including probation and dismissal. This includes any associated fees with repeating a course (if applicable).

- Policy on cheating (**Academic Honesty**). Dishonesty includes but is not limited to **cheating, plagiarism, knowingly assisting another student in cheating or plagiarism, or knowingly furnishing false information** to SVSTI faculty and staff (including Competencies and/or finals). This included sharing information during testing hands-on skills in the Lab.
- Failing a term does not guarantee eligibility to repeat that term automatically. **Students must re-qualify to repeat a failed term.** This will need to be approved by your Instructors and the Program Director.
- **No Apple watches** at any time during instruction.
- **No coaching.** No student should coach other students unless otherwise instructed.
- **Uniform requirements** must be followed: black scrubs, surgical hats, and jackets are required. Closed-toe, wipeable, fluid-resistant shoes only.
- **English MUST BE SPOKEN AT ALL TIMES.** Please refrain from speaking in any language other than English during class time and Lab.
- **Students may NOT leave the Lab** (even to use the restroom) until the Instructor has **dismissed** the class.
- **Weekly assignments** are due as posted in the syllabus and Canvas. **Points** are deducted by **15% EACH day past the assignment due date.** All assignments must be completed by Wednesday of the last week in the Sterile Processing Program and the Surgical Technology Program.
- **Sterile Processing Lab Competencies** are completed during Lab time, and a passing grade of **70% or higher** must be obtained on **EACH** Competency to be eligible to move forward with the Sterile Processing Program and/or take the course final. No make-up Competencies allowed.
- **Surgical Technology Lab Competencies** are completed during Lab time, and a **PASS** on each Lab Skill must be achieved. A **PASS** is 100%. Please refer to the Surgical Technology Competency Policy.
- In addition to the Lab requirements, the Lecture Portion and/or online coursework must be **completed.** Home study, memorization, and knowledge of surgical instruments are essential for success in the Classroom, Lab, Externship, and future employment.
- **All immunizations and BLS** are due by the **2nd weekend of class for Sterile Processing and the 2nd week of Term 2 for Surgical Technology.** If all immunizations and/or Externship requirements are not received by Week 5, students may be dropped from the course or required to repeat, which will result in additional fees.
- **Students are expected to maintain a respectful and professional demeanor at all times.** Disrespectful or unprofessional behavior or language will result in dismissal and an absence. Continued disrespectful and unprofessional behavior or language may result in expulsion.
- **No swearing or unprofessional language** at any time in the Classroom, Lab, and Externship.

- At the end of class each day/week, students are required to present **all opened sets** to the Instructor for **inspection and verification**.
- Supplies are not disposable; **please do not throw any supplies away** (e.g., Indicators, wraps, gowns, gloves, etc.). We reuse everything to save costs and supplies. PPE is typically in short supply; please bring your own mask and reuse gloves, gowns, and other supplies during the course. Do not throw away blue towels or reusable gowns; instead, put them in the linen hamper.
- Students **may not be under the influence of ANY substance AND/OR alcohol** in the Classroom, Lab, Externship, CST Prep, etc. SVSTI and/or your clinical site have the right to require a drug test or dismiss you if you are suspected of being under the influence of drugs and/or alcohol. You may be removed from the Campus or clinical site and/or expelled if found to be under the influence.

_____ (Initial) Infraction of ANY of the above requirements may result in an SSP and/or dismissal from class, and/or clinical site for the day, which will also result in an absence. Two (2) SSP's may result in probation or dismissal from the Sterile Processing Program.

_____ (Initial) Infraction of ANY of the above requirements may result in an SSP and/or dismissal from class, and/or clinical site for the day, which will also result in an absence. Three (3) SSP's may result in probation or dismissal from the Surgical Technology Program.

Sterile Processing Externship Policy and Expectations

The following are the basic rules for your upcoming Externships. These policies reflect requirements employers have for paid employees. This means that you are expected to approach your Externship site with the same level of maturity and professionalism that is expected at any medical facility. Keep in mind that your behavior and level of professionalism reflect not only on you but also on SVSTI.

These rules include, but are not limited to:

- **All students are ASSIGNED to a clinical site.** If you refuse a site assignment, your Externship start date could be significantly delayed, and there is also the risk of not finding a site to accept your late start date, which would result in removal from the Sterile Processing Program.
- If you are **dismissed from a site** for ANY reason, it will **result in expulsion** from the Sterile Processing Program.
- First and foremost, you must conform to the **facility's rules, regulations, and policies.** These include the use of PPE (personal protective equipment), adherence to patient confidentiality rules (HIPAA), wearing of ID badges, and any other facility-specific policies and procedures.
- **Adhere to SVSTI's dress codes.** This means you must always present a professional appearance and conduct yourselves accordingly.
- **Tardiness is unacceptable.** Allow yourself enough time to change into scrubs and be ready to start before your shift begins. This will not go unnoticed when it comes time to make the decision whether to hire you or not. Understand that some sites require you to pay for parking.
- **Absences are unacceptable** except in cases of illness. If you are absent, late, or leave early for ANY reason, you are required to **(1) notify your preceptor prior to the start of your shift, and (2) notify Julie Hamrick, SVSTI Program Director, by text (408) 640-2991 prior to the start of your shift.** You are only allowed a total of 2 absences during the entire program. Any student with absences over 2, including tardies, violates SVSTI's Attendance Policy and may result in expulsion from the Sterile Processing Program.
- Every effort will be made to keep Externship sites within a 2-hour commute from Campus; however, this may not always be possible. Students will attend where assigned. **ATTITUDE IS EVERYTHING.** You are a student. You are there to learn. Keep this in mind.
- Students must arrive prior to their scheduled shift to ensure that they are in the department and ready to learn on time every day (arrive early). **ON TIME IS LATE.**
- Students are required to upload their **Weekly Time Sheets, Weekly Professionalism Evaluations, Week 3 and 6 (Midway and Final), and Performance Evaluations** to Canvas by Sunday, 11:59 pm each week.

- **Professionalism** is expected during Externship. Take notes, stay active, and refrain from using your cell phone during Externship.
- Students **MUST** complete their Sterile Processing Externship hours (240) within the 6 weeks to graduate.
- If the student fails, they will be required to repeat the entire Sterile Processing Program and will be required to pay a fee of \$1,500.00.
- Students are required to submit **ORIGINAL documents**, which include **Weekly Time Sheets, Weekly Professionalism Evaluations, Week 3 and 6 (Midway and Final), Performance Evaluations, and the Graduate Satisfaction Survey**, as well as complete all **End-of-Course Survey(s)** by the end of Externship.
- All **ORIGINAL documents** must be completed, **uploaded correctly**, and submitted to the Admissions/Enrollment Office in order to complete the Sterile Processing Program successfully and pick up the diploma.
- If the student is unable to complete their Externship on time (240 hours/6 weeks) due to unusual circumstances, an extension must be requested, and a fee of \$1,000.00 will be added to their tuition. If the student wishes to extend their Externship, they must be pre-approved prior to starting Externship.
- When all requirements have been met, students must message Education@svsti.com for an appointment to obtain their Certificate of Completion within 14 days of completion (**or the student will receive an F and not qualify for a diploma**).

_____ (Initial) If you get kicked out of a site for **ANY** reason or asked to leave, you will not be allowed to return to SVSTI for **ANY Program(s)**. I have read, understood, and will abide by the above policy.

Sterile Processing Attendance Policy

It is crucial that every student attends all scheduled classes throughout the duration of SVSTI's Sterile Processing Program to learn the skills needed to be successful in this field of study. The Sterile Processing Program is designed as an advanced, fast-paced program that requires all students to adhere to the following Attendance Policy.

Students are allowed 2 absences during the ENTIRE 13-week program, including tardies. These absences are for genuine emergencies and should be treated accordingly.

1-14 minutes late = 1 tardy.

15 minutes late or more = 1 absence.

Leaves class early, 1-14 minutes = 1 tardy.

Leaves class early, 15 minutes or more = 1 absence.

Leaving the Campus before the Instructor has dismissed the class = 1 absence.

3 absences = Automatic dismissal (dropped) from the Sterile Processing Program.

2 tardies = 1 absence.

Any student who has ONE no-call/no-show or who has left Campus without requesting approval from the Instructors and/or Program Director may result in expulsion from the Sterile Processing Program.

SVSTI students are expected to maintain a respectful and professional demeanor at all times. Students who demonstrate disrespectful and/or unprofessional behavior will be asked to leave the Campus, resulting in an absence.

Students must complete a minimum of 240 hours on clinical rotation to meet the requirements of the Sterile Processing Externship rotation. (Please see the website for details www.svsti.com).

If a student is dismissed from the Sterile Processing Program, they will be required to re-enroll for re-entry. If a student is eligible to repeat the Sterile Processing Program, they will need to repeat the entire program, which will incur a "Repeat Program Fee" of \$1,500.00. The repeat start date must be within six (6) months.

Students are expected to complete all required immunizations by the second week of class or by the designated due date noted on the Immunization Attestation. If this expectation is not met, which can cause a delay (30 days or more) in Externship placement, the student may be required to "Repeat" the program, which will also incur a "Repeat Fee" of \$1,500.00. Students must complete 240 hours of clinical rotation.

Students must accept the clinical placement assigned to them; if they refuse, they may be dropped from the program. By signing this form, you acknowledge/agree to the SVSTI Sterile Processing Attendance Policy.

A Leave of Absence (LOA) is not permitted in the Sterile Processing Program, as it is a 13-week course. If a student has a grievance, they may need to be rescheduled to the next course start date. If a student requires leave for personal reasons, they may do so by withdrawing and re-enrolling at a later date (additional fees may be required). Re-enrolling is subject to a **Repeat/Re-Entry Evaluation Form**. All Students **must** be approved by their Instructor(s) and the Program Director to reapply or re-enter any program. Students leaving the program must complete a Change of Status Form within 72 hours of receiving notification to ensure they do not receive a failing grade in the course. Students may only be eligible to change their start date one time.

High School Graduation or Equivalency Attestation

I, _____ (Student Name),
have applied for admission and to enroll to SVSTI Sterile Processing Program or Surgical Technology Program,
and I understand that one of the requirements for admission is graduation from high school or an equivalency.

Check the box that applies to you.

I hereby certify that:

- I graduated from a High School.
- I earned a GED Diploma (General Educational Development Diploma or High School Equivalency Diploma).

**This is not General Education or College credits; This is a General Educational Development (GED) test or a high school equivalency test for those who did not complete traditional high school.*

- I graduated from a Foreign High School.

ALL Foreign Academics **must be evaluated and translated into English and submitted within 30 days of enrollment, but prior to the 1st day of class (including High School Diploma, High School Transcripts, College Diploma, and College Transcripts).*

If, for any reason, this attestation is found to be false or untrue, I understand that I will not have met the Admissions/Enrollment requirements of SVSTI. I will not be considered a student and will therefore be subject to immediate dismissal from SVSTI.

Late Payment Policy and Fees

Each late payment is subject to a \$100.00 Late Fee.

Late payments will result in students being pulled from class and will be recorded as an absence (please see the Attendance Policy for allowed absences). If you do not make a payment during your Externship, you will be pulled from your clinical site. **Communication is key!**

Failed Term/Class Policy

1. If you fail the Sterile Processing Program, a \$1,500.00 Repeat Fee will apply. **(You get one failed attempt for Sterile Processing)**
2. Sterile Processing Externship Extension should be requested; a \$1,000.00 Extension Fee will apply, and it **must** be pre-approved.
3. Bounced checks or a declined payment are subject to a \$35.00 Fee.

Failure to Pay Policy

The purpose of this policy is to define a student’s failure to pay all fees or charges to the student’s account and outline potential consequences for such action.

By registering for the SVSTI Sterile Processing Program, students agree to be financially responsible for their account balance and any applicable fees, including, but not limited to, tuition, textbooks, and miscellaneous charges.

Failure to comply with SVSTI's payment policies may result in further collection activity by an outside collection agency or attorney. When this action occurs, students are responsible for paying all collection expenses, which may exceed 50% of the original balance owed. Although every effort is made to contact a student prior to submitting the account to a collection agency, SVSTI reserves the right to submit a student’s account for collection at any time if the student fails to remit the personal payment portion of the account balance.

I have read and understood all the terms and conditions contained in this payment agreement, and I agree to be legally bound by those terms and conditions.

Emergency COVID-19 Absence Policy

If a student feels they have COVID-19 symptoms, they must be tested by the first missed class to fall under this policy, unless it is after business hours, in which case the student needs to be tested the following morning. ***If a test is positive for COVID-19, follow the reporting and isolation steps below:***

- Immediately report your COVID-19 positive test result to your Instructor(s) and/or Program Director, as well as your externship site (*manager or educator*). A COVID-19 test must be done in a laboratory (***not a Home Test***), and must include your ***legal name on the test result document***.
- Stay home and isolate for a minimum of 3 days.
- If on day 3, you have no symptoms or your symptoms are mild and resolving (and you have no fever for ***at least 24 hours without the use of fever-reducing medication***), you must test again (***Lab Test***) and provide a new test result document with your legal name.
- You must provide a negative test result (***Lab Test, not a Home Test***) with your legal name before you can return to the Campus and/or Externship Site.

Additional Information:

- SVSTI provides students with a ***one-time*** COVID-19 emergency absence, allowing an additional 3 days for the ***entire Surgical Technology Program (not per term)*** or an additional 2 days for ***the entire Sterile Processing Program***.
- Students must follow the policy exactly as stated, or their absence(s) will not be accepted under this policy.
- SVSTI does not allow make-up of missed assignments or exams. Students will receive a zero for any missed assignments and/or exams during their absence.
- Any absences exceeding ***3 emergency absences*** for Surgical Technology or ***2 emergency absences*** for Sterile Processing will ***not*** be excused (*please refer to the Classroom Expectations and Lab Rules, and Attendance Policy*) and could affect the student's grade and/or program status.

If, for any reason, your doctor does not allow you to test in a laboratory, you will not be able to use the emergency absences (only the regular allotted absences for your program). You can also get tested at CVS, Walgreens, or a laboratory. I acknowledge and understand the above Emergency COVID-19 Absence Policy:

Needlestick/Sharps Protocols

Should you suffer a needlestick/sharps or any blood/body fluid exposure, immediately notify your preceptor. Do not be embarrassed, and **DO NOT WAIT**. Drug prophylaxis following a high-risk exposure is time sensitive. Seek immediate help.

Immediate care of the body site:

1. Needlesticks/sharps and cuts: scrub out and immediately clean the wound/contaminated exposure site with liberal amounts of soap and water.
2. Splashes to the nose, mouth, or skin: decontaminated by vigorous flushing with water.
3. Splashes to the eyes: irrigated with copious amounts of clean water, saline, or sterile irrigant.

If the facility has not already taken your blood, then they will need to do so before you are released from the facility. Once you have been released from the facility, you are under no obligation to return to have your blood drawn. **You will need to take blood samples with you to the laboratory.**

Note: the patient's name, hospital number, attending physician, and location. This will help determine the level of exposure from the source patient and aid in deciding prophylactic treatment.

Follow all facility protocols, including reporting of the incident to the facility's Employee Health Service (if applicable). Once facility protocols have been met, you must contact the Program Director, Julie Hamrick, immediately, and complete the **Accident Injury Report** along with all required paperwork. **A claim must also be reported at Great American Insurance Group [Report a Claim - Specialty Property & Casualty - Great American Insurance Group](#)**. This is a time-sensitive task that must be completed on the **same day, with no exceptions**.

As soon as possible following accident/injury/exposure/needlestick/sharps:

- Students should seek medical care at the nearest Wellness Mart or their primary care provider; an emergency room visit is usually not necessary.
 - Medical attention may include:
 - Needlesticks/sharps and cuts: scrub out and immediately clean the wound/contaminated exposure site with liberal amounts of soap and water.
 - Splashes to the nose, mouth, or skin: decontaminated by vigorous flushing with water.
 - Splashes to the eyes: irrigated with copious amounts of clean water, saline, or sterile irrigant.
 - Obtaining the student's and the patient's blood for testing.
 - Receiving advice regarding follow-up treatment and testing.

- If the student has personal health insurance, please provide it to the Lab/provider. Once an insurance claim is made, they will be in contact with the student to arrange payment for any invoices/bills.
- If students do not have health insurance, they will provide the institution with any bills for the insurance claim.
- For services/treatment beyond the initial visit, the student will be responsible.
