- The transferability of credits you earn at SVSTI are nontransferable currently and therefore do not transfer credits nor have Title IV funding. We are currently a non-accredited institution and do not participate in any Federal or State financial aid.
- The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

## Additional Information

### PROGRAM EXTERNSHIP POLICY

The following are basic rules for your upcoming externships. These policies are no different than any employer would require of an employee. This means that you are expected to treat these externships with the same level of maturity and professionalism as you would any compensated position. Keep in mind, your behavior and level of professionalism reflects not only upon yourselves, but on SVSTI as well. **Please read, initial each check mark, and sign and date at bottom.**

These rules include, but are not limited to:

- You will be assigned a clinical site if you refuse that site it could significantly delay your start of externship or even the possibility of being removed from the program.
- If you are kicked off a site for **ANY** reason, then it will result in expulsion from the program.
- First and foremost, you **MUST** conform to the rules, regulations, and policies of the facility. These include use of P.P.E. (personal protective equipment), rules of patient confidentiality (HIPAA), wearing of I.D badges, and any other facility-specific policies and procedures.
- Adhere to SVSTI's dress codes. This includes, but is not limited to, policies regarding the wearing of jewelry (including facial), cologne or perfume, no artificial/gel nails, & fingernail length/polish, etc. This means you must always present professional appearance and conduct.
- Tardiness is unacceptable. Leave home early enough to allow yourself time to change into scrubs and be ready to start before your shift begins. This will not go unnoticed when it comes time to make the decision whether to hire you or not. Understand that some sites require you to pay for parking.
- Absences are unacceptable except in cases of illness. If you are absent. Late, or leave early for **ANY** reason you are required to #1) Notify your preceptor prior to start of shift, and 2) notify Julie Hamrick at school prior to start of shift. You are only allowed a total of 2 absences during your rotation. If absences are in excess of 2 days, this could impact your clinical site assignment, even up to being removed from site and therefore leading to either failure of that term or expulsion.
- Every effort will be made to keep externship sites within a 2-hour commute of campus; however, this may not always be the case. Students will go where assigned.
- ATTITUDE IS EVERYTHING, you are a student. You are there to learn. Keep this in mind.
- If the student is unable to complete their SPD externship in the time (240 hours/6weeks) allowed because of unusual circumstances an extension will need to be requested and a fee of \$500 will be added to their tuition. We will do our best to place the student at a site close to where they live or work however this is not always available. All students are guaranteed a clinical placement in a timely fashion. In most cases, this is immediately following the completion of the coursework.

Students are responsible for getting required immunizations and will not be placed for externship until all required documents are turned in to the Program Director. Each facility has different requirements and therefore it will depend where the student is placed. Each affiliate agreement SVSTI has established contains these requirements. The student will be notified if different than the list they are provided at enrollment (also listed on our website at <https://svsti.com/>).

This Enrollment Agreement is available on our website at <http://svsti.com> and can also be emailed to students that request it. The Enrollment Agreement is updated every 5 years. An Addendum insert will be added if any changes are made before that timeframe.

All students must meet with the Program Director or Regional Director of Operations prior to withdrawing from a program to discuss circumstances and complete necessary documents (change of status form).

Please always conduct yourself in the most professional manner and be aware of the following guidelines.

- Use professional and courteous language. Profanity is not acceptable. Slang is not deemed professional in the health care workplace.
- Respectfully address all instructors with the appropriate title.
- Always remain alert in class. Fully participate in class activities and team projects.
- Take responsibility where appropriate, and do not be critical of others.
- Practice a high level of motivation, initiative, cooperation, and attitude.
- Students who have to repeat a course may be subject to additional fees. SVSTI refunds tuition if student cancels an enrollment agreement or withdraws during a period of less than 60% of attendance and shall be a pro rata refund.

If the student withdraws from the program after the period allowed for cancellation of the agreement and has completed 60% or less of the period of attendance (term), SVSTI will calculate whether a tuition refund is due, and if so, remit a refund within 45 days following the student's withdrawal. For students receiving funds through the Federal Student Aid program, unearned funds will be returned to the aid programs in the order required under Federal Law. For non-federal student financial aid program moneys, the institutional/California state refund policy shall be a pro rata refund of moneys paid for institutional charges for students who have completed 60 percent or less of the period of attendance. The pro rata percentage is based on days of attendance within the period of attendance. If any portion of those charges was paid from the proceeds of a non-federal loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining balance will be paid to the student.
