During the conference, the district will caucus, if required, to conduct District business, elect or appoint needed officers.

District Conferences are a great opportunity for members at the local post level to meet the Senior Leadership, learn how dues money is spent on Legion programs, have questions answered, give Senior Leadership your thoughts/ideas on programs that might be implemented

for the “Good of the Legion,” and share what is working for your post and get ideas from other posts on how to make your post better.

WE HOPE TO SEE YOU THERE!

TOM SNODGRASS, COMMANDER 4
