Department of Oklahoma Scholarship Program Wednesday, January 24, 2024

The Department of Oklahoma Oratorical Scholarship Program will submit payment to the college, university, or vocational trade school the student is enrolled in. After registration, the student will provide the following information:

1. All certificates the Department of Oklahoma has issued with the amount of scholarship signed by the Department Commander at the time of presentation.
2. The name of the institution the student is attending, address, phone number, and name of the financial aid officer.
3. The Department will then release the funds to the organization the student has enrolled in, which will be added to the student's tuition account.
4. Please contact the Department Adjutant directly or through the Post that sponsored the Oratorical contestant. The office can be reached at (405) 942-1705 or admin@okamlegion.org.

National Headquarters provides all contestants with information on accessing the Awards they have received while participating in the National Program.

Any awards provided at the Post and District level contest may be given directly to the contestant; using a cashier's cheque for financial records is recommended.

Please get in touch with me with any questions or concerns about releasing scholarship awards.

Robert L. Willis
Oratorical Director
