

# **Club Championship Rules**

## **Championship Format**

The Club Championship will be held over two rounds of Medal Play. The first round is usually scheduled in June on the first Monday on either the North or South Course, and the second round will take place on Wednesday of the same week on the opposite course. Players will be grouped into flights based on their handicap indexes as determined on May 31<sup>st</sup> of that year. Prizes will be awarded to flight winners for both Low Gross and Low Net scores, as well as to the second-place finishers in each category.

## **Match-Play Set-Up**

Following the two days of Medal Play, the four players with the lowest Gross scores and the four players with the lowest Net scores will be selected for the Club Champion playoffs. These players will compete for the titles of Club Champion – Gross Division and Club Champion – Net Division. Each of the eight selected participants will receive a \$25 award. Winners of the semi-final match play will receive an additional \$25 each. The final match-play winners will be awarded \$50 each and will be recognized as Club Champion for their respective divisions. All matches must be completed by the end of June of the given year played and may be played during regular Club League Play at Antelope Hills. Players are responsible for coordinating their match schedules promptly. For assistance, contact Jamie Hinkle by text or voicemail at 928-460-3619. Jamie will prepare scorecards for Net Division matches, as handicaps will be updated for each round, while Gross Division matches will be played at gross score.
