

## WINTER RULES

(7-16-23)

The following rule has been a tradition of the AHMGC every year and will be in effect from November 1st, until May 30th, and will remain in effect until further notice.

The ball must be in your own fairway, it may be marked, lifted, cleaned, and replaced within one club length from the spot lifted.

## PICK YOUR HOLE RULE

(7-16-23)

During the winter months at Antelope Hills Golf Course, there are three permanent holes/cups for each green, and the flag is rotated by the staff of the Course Superintendent to each of these holes, while the other two have plugs. This also has promoted the playing format of "Pick Your Hole". The AHMGC Board of Directors has approved the following rule when this format is played:
