

2 Man Team Medal Play Total

2-Man, Total is a medal play full handicap competition format in which teams consist of two players. **Each player's GROSS score is recorded for the round**, the individual's handicap is subtracted from each player's GROSS score to obtain the individual NET score.

The two GROSS scores are added to record the team's GROSS score.
The two NET scores are added to record the team's NET score.

Payout is for the Net score only.
