

## Putt to Your Hole - Winter

Each player or team selects which hole on the green he/they will putt to AFTER his/their ball has reached the surface of the green. (Remove and replace plug carefully) **GROSS score is recorded** for the round and the handicap is subtracted from the GROSS score to obtain the NET score.

'Hole in One' prize must be to the hole with the flag. If the game includes 'Close to the Pin' competition, you must measure to the hole containing the flag.
