ONE FLOOR, ONE FLAT

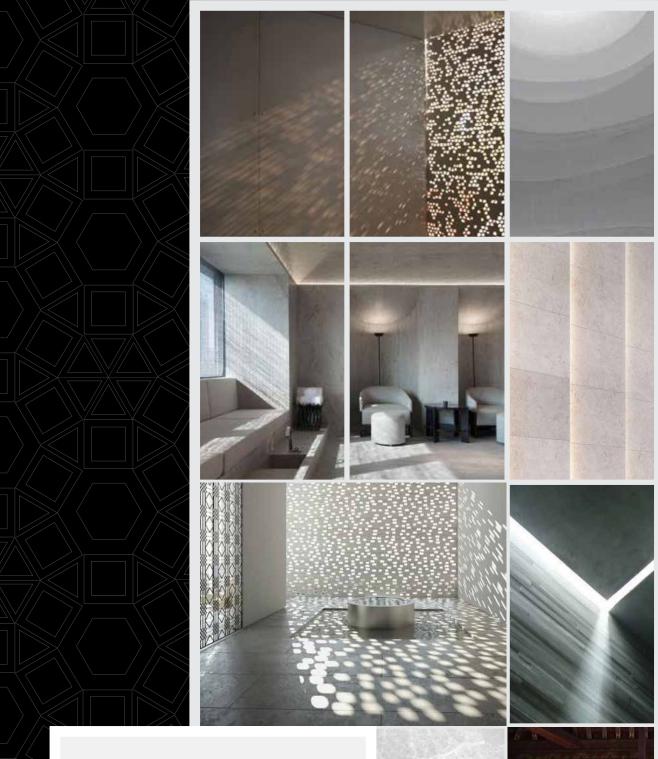

With a nod to exclusivity, our three and four bedroom flats create intrinsically private residences.

Elevating the existing grandeur of its British heritage, One Hoshang reinterprets the classical style principles of Ethereality, Heritage and Materiality.

SHADOW PLAY

Manipulating volume with colonnades, arcades, shapes and niches, spatial events mould experiences to elicit surreal emotional responses.

MAKE AN ENTRANCE

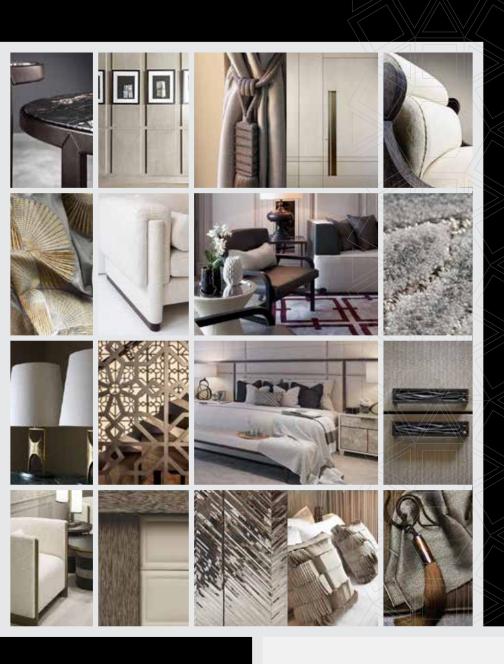

Scale and grandeur are reinforced with a refined palette of materials using metal accents, feature lighting and bespoke flooring to add timeless luxury.
