

2019 HCS ARTS AND SCIENCE ACADEMY

Mon., June 10 – July 19, 2019
Grades: 3yrs. – 8th grade completion

Register now * Spaces are limited! * Information: 961-5026

Applications also available online at www.hailschool.net

Preschool: “Our (5) Senses” – Engaging the five senses to learn about the world God created.

Our five senses work hard every minute of every day. Let’s enjoy tasting new foods, hearing music that energizes, seeing things in creation that display His glory, touching experiences, and smelling our favorite things. Our senses help to retain important information that shape our development.

Kindergarten: “IT’S ALIVE!!!!” What do living things teach us about God and about who He has created us to be?

The plants that grow, our rich ocean life, the animals that call our islands home, all speak to a powerful and loving God. Let’s learn through a hands on experience using art, music, and scientific methods that communicate our findings and teach us to care for our beautiful world.

Grades 1st – 3rd: “Kids LOVE Rocks!” They love to hold them, throw them, collect them, and even paint them. Our students will learn about the science of rocks and the rock cycle. Rocks are made up of minerals and none are uniform in structure. Their unique compositions tell a much greater story. The Bible speaks of Jesus as our ROCK!

Grades 4th- 8th: “TECH100 for EVERYONE!” Students will participate in basic coding fundamentals and robotic activities. Through science, math, engineering, and art, they will accomplish specific tasks and collaborate with team members to improve communication skills and problem solving.

How to register:

1. Complete and return Summer 2019 Application with **required Reg. Fee \$75.00** per application. **(Your application will not be processed without application fee \$75.)**

- * Checks payable to Haili Christian School
