**“Lokahi”** – *The value of teamwork, cooperation, and collaboration. Unity and harmony.*

Romans 8:37 “In all these things we are more than conquerors through him who loved us.”

Genuine community is experienced. We are planning for a summer full of opportunities for students to enjoy meeting new friends and trying new things. Lokahi requires a mindset to appreciate and value each person’s unique qualities. Through daily “camp” activities and challenges, students will enjoy a contrast to everyday life – heightened senses; total engagement; and readiness to learn – combined with the spiritual truths of God’s Word. It’s a day camp experience without the tents; bug spray; or homesickness.

😊 Come and join in on the fun!

**(Remedial work is included.... Shhhhh! Don’t tell the campers! 😊)**
