"Let them give glory to the LORD and proclaim His praise in the islands." (Isaiah 42:12).

You are invited to join us for a special **6-Week Summer Adventure for Elementary Students!**

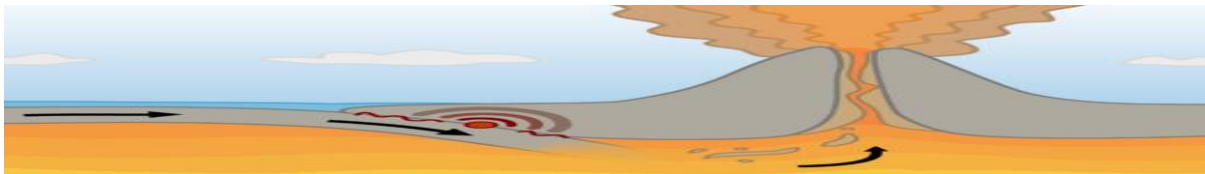

Come and discover the beauty of our Big Island as we explore the many hidden treasures found throughout **Moku o Hawai'i**. From the mountain peaks to the depths of the sea—and everything in between—students will experience the wonder of God's creation right here on our island.

Throughout the six weeks, students will participate in engaging activities, hands-on learning, and exciting discoveries that celebrate the unique beauty, culture, and natural environment of our **BIG ISLAND**.

Our summer academy will also open the pages of God's Word, the Bible, as students enjoy times of worship, prayer, and learning about Ke Akua through His creation.

Each day will spark imagination and curiosity as students explore, create, and learn together. Participants will work with a variety of tools and materials while developing tangible skills in mixed-media art, group study, and writing. There is so much to discover from God's wondrous creation right here on our island.

Come and join the adventure!
