## ABOUT RODNEY ALLGOOD

Rodney Allgood is a dynamic speaker, entrepreneur, and youth advocate who has dedicated his life to inspiring the next generation. An entrepreneur since the age of 22, he built multiple successful businesses—only to lose everything. But through faith, resilience, and a relentless work ethic, he rebuilt his life and found his true calling: helping young people believe in themselves and build a future they're proud of.

Today, Rodney speaks to hundreds of thousands of students across the country, challenging them to dream bigger, lead with integrity, and take ownership of their future.

“The greatest limitation in a young person’s life is rarely ability. It’s what they believe about themselves.”  
— Rodney Allgood
