OVERVIEW

Thank you for choosing Custom Concept Vans as your cabinetry supplier! The Ultralight Cabinet series from CCV features extruded aluminum frameworks, making the largest part of your build the lightest. A variety of panel options give you the look and feel you are after.

Within our custom cabinetry program, our customers get to choose details not available in most traditional cabinet offerings. House your appliances, create storage, and do it in style!

Shipped to you or installed at Custom Concept Vans we are here to help you complete your build.

HOW IT WORKS

1. Connect with your rep and discuss your plans.
2. Place an initial design deposit of \$600.00 and schedule your design consultation
 - a. This deposit pays for 4 hours of design time with CCV.
 - b. This deposit is conclusive of both email time and web meeting time.
 - c. Any remaining unused time will be applied to the payment of your cabinets.
 - d. Any time used over the paid 4 hours will be charged at \$150/hr..
3. Come prepared with your design plans, dimensions, and color choices.
 - a. If you need any assistance completing your design prior to this meeting, please reach out to your rep.
 - b. See the interior color palette for colors. If we don't have what you're looking for, let your rep know.
4. Complete Design Consultation
 - a. Your rep will work with you in person or via web conference to discuss and solidify your designs and plans. A 3D model and estimate will be delivered to you post consultation.
5. Customer sign off on final order form and models
 - a. It is crucial for the customer to give this step the most attention. Customers are responsible for the dimensions ordered and verified in the order form. If something is not right when you receive your order, please let us know the actual dimensions of the cabinet so we can assist appropriately.
6. Pay and submit verified order.
 - a. Orders will typically arrive within 2-3 weeks.
7. Wait until the shipment arrives.
8. Installation (separate installation guide will be sent to you if not done at CCV).
9. Leave a review for CCV and send photos to CCV or tag on social media!
