

# YUKON THEATRE FOR YOUNG PEOPLE

## COMMITMENT LETTER WIZARD OF OZ

The undersigned understands the level of effort and commitment that is expected from a member of a Yukon Theatre for Young People cast. Further, they commit to attending rehearsals as scheduled, and to putting their best effort forward when they are in both in and out of rehearsal to learn the contents of the show (script, music, and choreography).

The undersigned also commits to ensuring that they inform the Stage Manager or Producer of any anticipated absences prior to being cast in the production, and advising as soon as possible of any impromptu absences which are anticipated.

It is further understood that having three unexcused absences from rehearsal may result in the re-assignment of roles or removal from the production.
