 14. **Lot Maintenance.** The owners or occupants of all lots shall at all times keep all weeds and grass thereon cut in a sanitary, healthful and attractive manner and shall in no event use any lot for storage of materials and equipment except for normal residential requirements or incident to construction of improvements thereon as herein permitted or permit the accumulation of garbage, trash or rubbish of any kind thereon and shall not burn anything (except by use of an incinerator and then only during such hours as permitted by law). The drying of clothes in full public view is prohibited and the owners or occupants of any lots at the intersection of streets or adjacent to parks, playgrounds or other facilities where the rear yard or portion of the lot is visible to full public view shall construct and maintain a drying yard or other suitable enclosure to screen the following from public view: the drying of clothes, yard equipment, wood piles or storage piles which are incident to the normal residential requirements of a typical family. In the event of default on the part of the owner or occupant of any lot in observing the above requirements or any of them such default continuing after ten (10) days' written notice thereof First or its assignee shall without liability to the owner or occupant in trespass or otherwise enter upon said lot or cause to be cut such weeds and grass and remove or cause to be removed such garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions so as to place said lot in a neat, attractive, healthful and sanitary condition and may charge the owner or

occupant of such lot for the cost of such work. The owner or occupant, as the case may be, agrees by the purchase or occupation of the property to pay such statement immediately upon receipt thereof.

15. **Signs, Advertisements, Billboards.** No sign, advertisement or billboard or advertising structure of any kind other than a normal "For Sale" sign may be erected or maintained on any lot in said subdivision. First or its assignee will have the right to remove any such sign, advertisement or billboard or structure which is placed on said lot and in so doing shall not be subject to any liability of trespass or other sort in the connection therewith or arising with such removal.
16. **Roofing Material.** The roof of any building shall be constructed or covered with (1) wood shingles or (2) asphalt or composition type shingles comparable in quality, weight and color to wood shingles, the decision of such comparison shall rest exclusively with the Architectural Control Committee or (3) crushed marble slag or pea gravel set in a built-up type roof. Any other type of roofing material shall be permitted only at the sole discretion of the Architectural Control Committee upon written request.
17. **Maximum Height of Antennae.** No radio or television aerial wires or antennae shall be maintained on any portion of any residential lot forward of the front building line of said lot; nor shall any free standing antenna of any style be permitted to extend more than ten (10) feet above the roof of the main residential structure on said lot.
18. **Removal of Dirt.** The digging of dirt or the removal of any dirt from any lot is expressly prohibited except as necessary in conjunction with the landscaping of or construction on such lot.
19. **Underground Electric Service.** Underground electric service shall be available to certain lots at the sole discretion of First and the Houston Lighting & Power Company in compliance with the Federal Housing Administration's guidelines. The owner of such lot shall at his own cost furnish, install, own and maintain (all in accordance with the requirements of local governing authorities and the National Electric Code) the underground service cable and appurtenances from the point of the Electric Company's metering or the customer's structure to the point of attachment of such cable (such point of attachment to be designated by the Electric Company) to Electric Company's installed transformers or energized secondary junction boxes. The Electric Company furnishing service shall make the necessary electrical connections at said point of attachment and at the meter. In addition, the owner of each lot shall, at his own cost, furnish, install, own and maintain a meter loop (in accordance with the then current standards and specifications of the Electric Company furnishing service) for the location and installation of the meter of the Electric Company furnishing service to the residence constructed on such owner's lot. For so long as underground service is maintained the electric service to each lot shall be uniform and exclusively of the type known as single phase 120-240 volt, 3-wires, 60 cycle alternating current.

The electric company has installed the underground electric distribution system in the Underground Residential Subdivision at no cost to Developer (except for certain conduits, where applicable) upon Developer's representation that the underground Residential Subdivision is being developed for single family dwellings and/or townhouses of the usual and customary type, constructed upon the premises, designed to be permanently located upon the lot where originally constructed and built for sale to bona fide purchasers (such category of dwellings and/or townhouses expressly excludes, without limitation, mobile homes and duplexes). The terms "sale to bona fide purchases" mean an outright sale to a resident at the time such resident first occupies the dwelling and/or townhouse and not a lease, a delayed sale by means of a contract for deed, a safe with provisions calculated to subsequently relieve such resident from the obligation to pay for the residence, or similar devices. Therefore, should the plans of lot owners in the Underground Residential Subdivision be changed so that dwellings of a different type will be permitted in such Subdivision, the company shall not be obligated to provide electric service to a lot where a dwelling of a different type is located unless (a) Developer has paid to the company an amount representing the excess in cost, for the entire Underground Residential Subdivision, of the underground distribution system over the cost of equivalent overhead facilities to serve such Subdivision, or (b) the owner of such lot, or the applicant for service, shall pay to the company the sum of (1) \$1.75 per front lot foot in the case of a single family dwelling or \$2.50 per front lot foot in the case of a townhouse, it having been agreed that such amount reasonably represents the excess in cost of the underground distribution system to serve such lot over the cost of equivalent

overhead facilities to serve such lot, plus (2) the cost of rearranging and adding any electric facilities serving such lot, which rearrangement and/or addition is determined by the Company to be necessary.

The provisions of the two preceding paragraphs also apply to any future residential development in Revere(s) shown on the plat of Briar Village Subdivision, Section III, as such plat exists at the execution of the Agreement for Underground Electric Service between the electric company and Developer or thereafter. Specifically, but not by way of limitation, if a lot owner in a former Reserve undertakes some action which would have invoked the above per front lot foot payment if such action had been undertaken in the Underground Residential Subdivision, such lot owner shall pay the electric company \$1.75 per front lot foot in the case of a single family dwelling or \$2.50 per front lot foot in the case of a townhouse for his/her lot unless Developer has paid the electric company as above described. The provisions of this paragraph in the two preceding paragraphs do not apply to any future non-residential development in such Reserve(s).

The annual assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continued lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who is the owner of such lot. Appropriate recitations in the deed conveying each lot will evidence the retention of a vendor's lien by First for the purpose of securing payment of said charge assigned to the Briar Park Community Improvement Association, Inc. without recourse on First in any manner for the payment of said charge and indebtedness.
22. **Purpose of Assessments.** The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the properties and for the improvement and maintenance of the common areas, if any.  - (b) The right of the Association to suspend the voting rights and right to use of the recreation facility by an owner for any period during which any assessment against this lot remains unpaid; and for a period not to exceed sixty (60) days for each infraction of its published rules and regulations.
 - (c) The right of the Association to dedicate or transfer all or any part of the common area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by two-thirds (2/3) of each class of the members agreeing to such dedication or transfer has been recorded.
 - (d) The right of the Association to collect and disburse those funds as set forth in Paragraph 21.
25. **Delegation of Use.** Any owner may delegate in accordance with the by-laws his right of enjoyment to the common area and facilities to the members of his family, his tenants or contract purchasers who reside on the property.
26. **Membership and Voting Rights.** Every owner of a lot which is subject to assessment shall be a member of the Association. Memberships shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment. The Association shall have two classes of voting membership:
- (a) Class A. Class A members shall be all owners with the exception of First and shall be entitled to one vote for each lot owned. 27. **Rate of Assessment.** All lots in Briar Village, Section III shall commence to bear their applicable maintenance fund assessment simultaneously and lots owned by First are not exempt from assessment. Lots, which are occupied by residents, shall be subject to the annual assessment determined by the Board of Directors (according to Paragraphs 23 and 28). Lots which are not occupied by a resident and which are owned by First, a builder, or a building company shall be assessed at the rate of one-half (1/2) of the annual assessment above. The rate of assessment for an individual lot, within a calendar year, can change as the character of ownership and the status of occupancy by a resident change. The applicable assessment for such a lot shall be pro-rated according to the rate required of each type of ownership.
28. **Date of Commencement of Annual Assessments.** Due dates. The annual assessments provided for herein shall commence at such time as the Directors of the Briar Park Community Improvement Association, Inc. determine that the lots are completed and ready to build on (that is, when the lots have been finished graded and all utilities have been installed). The Board of Directors shall fix the amount of annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. A new resident shall be required to pay his pro rata share of current annual assessment at the time he acquires title to the property from the Seller. The Association may bring an action at law against the owner personally obliged to pay the same or foreclose the lien against the property. No owner may waive nor otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his lot.
- 30. **Subordination of Lien.** The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability of any assessments thereafter becoming due or from the lien thereof.
- 31. **Enforcement.** The Association or any owner shall have the right to enforce by any proceeding at law or in equity all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of these deed restrictions. Failure by the Association or by any owner to enforce any covenant or restrictions herein shall in no event be deemed a waiver of the right to do so thereafter.
- 32. **Severability.** Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provision which shall remain in full force and effect.
- 33. **Amendment to the Above Deed Restrictions.** The covenants and restrictions of this declaration shall run with and bind the land for a term of forth (40) years from the date this declaration is recorded after which time they shall be automatically extended for successive periods of ten (10) year, unless a simple majority of the then owners elect to annul the restrictions. Any amendment must be recorded.
- 34. **FHA/VA Approval.** As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: Annexation of additional properties, dedication of Common Area, and amendment of this Declaration of Covenants, Conditions and Restrictions.
- 35. **Annexation.** An overall preliminary plan showing all areas to be ultimately included in the Association's boundaries can be filed and approved by the Federal Housing Administration and the Veterans Administration.
