

Briar Park Community Improvement Association

Approved Paint Colors

The colors below are examples of paint colors that may be approved, based on a site evaluation by the Architectural Control Committee. These colors are from Sherwin Williams' exterior paint palette and are intended as examples only. Other colors and manufacturers will be considered on a case by case basis.

All improvements, including painting of a house, doors, trim, etc., require prior ACC approval. Failure to comply may result in the homeowner being required to redo all or part of an improvement project at their own expense.
