

KOBE POLAR BEAR SWIM DAY

JANUARY 01st

2025

MAIKO BEACH

A z u r M a i k o

The KCA, in cooperation with the JCK, invite YOU to "jump into" the New Year with a quick dip in the sea. Those less enthusiastic about freezing their butts off are invited to cheer on the swimmers. Bring your family and friends to join the fun at one of Kobe's most iconic settings.

11:30 AM : Meet @ JR Maiko Station

Swim begins 12:00 noon sharp!

The Kobe Lifesaving Club will be in the water to ensure our safety so we ask that you come on time to jump in at 12 o'clock.

- After the swim everyone can enjoy a potluck on the beach. Please bring food and drinks to share.
- A Japanese onsen called 'Taiheino-yu' is about a five minute walk away. Many swimmers opt to hop into the hot baths after the event. An incredible way to start 2025!
