

**SAX IN THE CITY**  
**Covid 19 Health and Safety Protocol**

**Studio Cleaning**

Before and after every studio session the studio will be cleaned using ipa disinfectant and/or other antibacterial methods. All surface will be wiped clean.  
The studio will then be aired thoroughly.

**Sick Policy**

Customers will be required to inform the photographer if anyone coming to the session has had a fever cough or any other Covid 19 symptoms. Appointments will be arranged once at no extra cost if this is the case.

**Self Monitoring**

Disposable masks and gloves will be available in the studio should these be deemed as necessary.

It is also preferred if clients bring and wear their own masks to the session.

**Hand Washing**

Staff and students will be required to wash their hands for a minimum of 20 seconds before each session. Hand gels will be available on arrival at the studio. Hand wash in the toilets.

**Social Distancing**

The floor will be marked to keep the 2m social distancing advice.

It is also a possibility that you may be required to cover your saxophone bell with either cling film or a shower cap to ensure no germs are sent into the room.

Please use common sense in all sessions.
