Christ in All the Scriptures - paperback

Jesus said: "You search the Scriptures because you think that in them you have eternal life; and it is they that bear witness about me" (John 5:39). The Bible testifies of Jesus.

In *Christ in All the Scriptures*, A.M. Hodgkin gives us an excellent overview of how each Bible book bears witness to the person and work of Jesus Christ. The book falls into seven sections:

- Christ in the Pentateuch
- Christ in the Historical Books
- Christ in the Poetical Books
- Christ in the Prophets
- Christ in His Life on Earth
- Christ in Resurrection Power
- Christ in Future Glory

A wonderfully researched book that will encourage you to see the presence of the Lord Jesus in every book of the Bible. Grow in understanding of faith with every chapter as you see how He has moved throughout all the Scriptures so that you might know Him in the fullness of His love and glory. A must buy for all students of Holy Scripture!

Is The “World’s Oldest Bible” A Fake? - paperback

Modern research techniques have revealed a hidden scheme aimed at God's Holy Words...Modern Bibles have changed many verses because of the discovery of an "ancient" manuscript in a monastery on the Sinai Peninsula. The manuscript, called Sinaiticus, is claimed to be the earliest complete copy of the New Testament. Its discoverer, who was a world leading Bible scholar in his time, told the world Sinaiticus was from the 4th century and that it was the "oldest and best" Bible available. Publishers rushed to make new Bibles with many changes to match it. But not everyone agreed. When this famed 19th century Bible scholar, Constantine Von Tischendorf, claimed the ancient date, a well-known Greek calligrapher said, "No! I made that document!" But why did no one believe him? Maybe it's because pages of the manuscript were stored where no one could view them, archived in exclusive

collections across several continents. Now, an international group has carefully photographed each page of Sinaiticus and is displaying it on the internet as high-quality digital images. For the first time, Bible scholars and students can see the entire manuscript together, as was never possible before. And what they are seeing with their own eyes is shocking. Some of the pages are white and look quite new, while others have been darkened to make them look very old. If they are all from the same "old" Bible, how can this be? Researcher David W. Daniels proves with easy-to-understand evidence that the Sinaiticus is not the oldest manuscript and certainly not the best, either. He is also convincing in showing it's not old after all and that the Greek calligrapher did make it, in the 19th century. The textual (and doctrinal) changes in modern Bibles are based upon a fake—a shadowy scheme worthy of Satan's hatred for the preserved words of God.

After The Flood – paperback

Bill Cooper shows, through meticulous accounts, how Europeans can be traced back to Noah through Japeth and had encounters with creatures we would call dinosaurs. A consistent bestseller among Creationist groups such as Answers in Genesis and the Institute for Creation Research.

This book is a must buy for anyone with an interest in ancient history. It sheds a well researched light on deliberately overlooked early history of mankind; a stunningly detailed history that marries brilliantly with the Biblical accounts as seen in the Book of Genesis.

Bill Cooper is a Vice President of the Creation Science Movement in England. He also serves as an Adjunct Professor on the Master Faculty at the Institute for Creation Research School of Biblical Apologetics. He

is the author of *After the Flood* (1995); *Paley's Watchmaker* (1997); *William Tyndale's 1526 New Testament* (old-spelling ed. British Library. 2000); *The Wycliffe New Testament of 1388* (British Library. 2002); *The Authenticity of the Book of Genesis* (CSM. 2012 and Kindle); *The Authenticity of the Book of Daniel* (2012 Kindle); *The Authenticity of the Book of Jonah* (2012 Kindle); *The Chronicle of the Early Britons* (2012 Kindle), and *Old Light on the Roman Church* (2012 Kindle). He has also authored numerous technical articles on Creationism, Palaeoanthropology, Bible Apologetics, the Reformation, and the History of the English Bible. Graduating with Honours at Kingston University (England), he went on to obtain both his PhD and ThD from Emmanuel College of Christian Studies (Springdale, Arkansas) under the auspices of the College Dean, Dr Gene Jeffries, and the supervision of faculty member Dr James J Scofield Johnson.

Patterns of Evidence: Journey To Mount Sinai - DVD

Can Investigative filmmaker Timothy Mahoney find the mountain where Moses encountered the burning bush and where multitudes of Israelites camped for nearly a year? Mahoney uses the trusted Patterns-of-Evidence approach and the new Mount Sinai Scorecard to investigate six of the most popular locations proposed for Mount Sinai. Examining details for five major criteria in the biblical account compared to geographical and archaeological information, he sets out to pin-point the mountain's true location. Journey to Mount Sinai is a 2-part film series that picks up the exploration of the Exodus where the Red Sea Miracle films left off. Each film will examine three of the primary candidates.

Why They Changed The Bible – paperback

Bible translators, all over the world, are making Bibles that they think are only for Protestant and Baptist believers. But they've been sold a lie! Actually, they have been tricked into also making false bibles for someone else.

Most don't know that Christian translators are being trapped into helping create a One-World Bible! And all the translation work is paid for by contributions from Bible believers like you.

And Who is that "someone," and what do they believe?
They will tell you, in their own words!
