## New King James – The Bridge Bible

Is The New King James Bible Just An Updated King James? It promised to be a 5th edition of the KJV, preserving "the originally intended meaning of every verse." Did publishers and translators keep their promise? Author David Daniels shows us in this book that the classical language (including the "thees" and "thous") is not all that was changed. In fact, this Bible is not a King James at all! Some of the "updates" actually change doctrines! "I'M NOT SAYING WHAT COULD HAPPEN. I'M SHOWING YOU WHAT DID HAPPEN." – DAVID W. DANIELS It cannot be a true King James, if salvation is changed from a finished work to an unfinished process (1 Corinthians 1:18). How can you know you are saved? Or in Matthew 7:14 where it says, "Because narrow is the gate and difficult is the way which leads to life..."? God did not make the way "difficult". Salvation is as close as our mouth and our heart! These tiny changes, as well as others like it, have made a big difference, moving people from faith to doubt in God and His words. But there's more. The publishers of the New King James said, themselves, that their goal was to provide a "transitional bridge" to a modern Bible (and they sell plenty of

them). As people get used to seeing words changed in their Bible, they soon will accept a Bible that changes even more! Eventually, you have a Bible with wording vague enough, in many key areas, that all the world's religions will be able to "fit" their doctrines into it. This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist's coming one world religion. How do we counter this? By teaching our children how to read the clear words of the King James, we can bring faith and not doubt to the next generation. In fact, as you will see in this book, if previous generations had done this, the New King James would never have been made.

## Flame In The Wind (DVD)

Flame in the Wind is set in the splendour and terror of the Spanish Inquisition and is a gripping drama of heroic Christian faith. Carlos, an earnest young nobleman, faces a choice: the church system offers safety, protection, and respectability; but the Scriptures offer Christ and salvation from sin and with these, torture and death. This film vividly portrays the conflict between following the Bible and following religious tradition.

## Seven Days That Divide The World

**Now revised and updated--John Lennox's acclaimed method of reading and interpreting the first chapters of Genesis without discounting either science or Scripture.**

What did the writer of Genesis mean by "the first day?" Are the seven days in Genesis 1 a literal week or a series of time periods? If I believe that the earth is 4.5 billion years old as cosmologists believe, am I denying the authority of Scripture?

With examples from history, a brief but thorough exploration of the major interpretations, and a look into the particular significance of the creation of human beings, Lennox suggests that Christians can heed modern scientific knowledge while staying faithful to the biblical narrative. He moves beyond a simple response to the controversy, insisting that Genesis teaches us far more about the God of Jesus Christ and about God's intention for creation than it does about the age of the earth.

With this book, Lennox offers a careful and accessible introduction to a scientifically-savvy, theologically-astute, and Scripturally faithful interpretation of Genesis.

Since its publication in 2011, this book has enabled many readers to see that the major controversy with which it engages can be resolved without compromising commitment to the authority of Scripture. In this newly revised and expanded edition, John clarifies his arguments, responds to comments and critiques of the past decade since its first publication. In particular, he describes some of the history up to modern times of Jewish scholarly interpretation of the Genesis creation narrative as well as spelling out in more detail the breadth of views in the *Great Tradition* of interpretation due to the early Church Fathers. He shows that, contrary to what many people think, much of the difficulty with understanding the biblical texts does not arise from modern science but from attempting to elucidate the texts in their own right.

## Jerusalem- The Covenant City

Jerusalem, the Covenant City explores the past, present and future destiny of Jerusalem in the light of recorded history, the prophetic Scriptures and current events. This is the word of the Lord concerning Israel. "I am going to make Jerusalem a cup that sends all the surrounding peoples reeling." (Zechariah 12:1,2)

Jerusalem, the Covenant City explores the past, present and future destiny of Jerusalem in the light of recorded history, the prophetic Scriptures and current events. Jerusalem is the only city in the world to have its history written in advance. It is the only city in the world that the Creator of the Universe has declared to be His dwelling place forever. And it is the only city in the world with an eternal destiny. Today the world is obsessed with the status of Jerusalem, just as Zechariah prophesied it would be. This is one of many signs that the end of the age and that the return of the Messiah - the Alpha and the Omega - is at hand. Through His ancient prophets and the current mounting

conflict in the Middle East - particularly over Jerusalem - the God of Israel is speaking to the Jewish people, to the nations of the world, and to the Church. But who is listening? The feature-length documentary Jerusalem, the Covenant City, presented by Lance Lambert and written, produced and directed by Hugh Kitson, will impact its audience with a message of challenge and hope that they will not easily forget. Part 1 contains a broad sweep of Jerusalem's history, while Part 2 examines the present and future destiny of the Holy City.

## The Destiny of Britain

The Balfour Declaration of 1917 and the beginning of British rule over the historic Land of Israel was the culmination of a vision for the restoration of the Jewish people to their Biblical homeland which has developed in the Church in Great Britain over the previous three hundred years. This vision supported by the great Christian revivalists and Bible teachers such as the Wesley brother, Charles Simeon, Robert Murray M'Cheyne, C H Spurgeon and Bishop J C Ryle, was based on the covenants of promise and Scriptures found in the Bible. Leading academics and teachers explore and bring to life important little-known aspects of this period. Could Britain's destiny be intertwined with decisions of history? Produced and Directed by Hugh Kitson Presented by Kelvin Crombie Narrated by Ian Cullen

## Prepare to Thrive – A Survival Guide For Christian Students

It's no secret that on the spiritual battlefield of colleges and universities, countless church-raised students walk away from their childhood faith before graduation. How can Christian students prepare for—and survive—the worldview battle in real classrooms? Discover field-tested strategies in this survival guide, Prepare to Thrive.

After studying science as a Christian student at secular university, Patricia Engler backpacked around the world interviewing other Christian students. Those conversations revealed that while the problems students face often vary, the solutions they need are largely the same. Discover:

- Vital facts that reveal the alarming realities of much of modern education.
- Biblical strategies to build and maintain an uncompromised Christian worldview at university – and apply that worldview to impact culture.

- Practical tips to navigate the trenches of colleges and universities, including tools to think through faith-challenging messages, handle worldview questions, and resist “brainwashing.”

Whether you’re a current or future student, parent, pastor, mentor, or any other Christian engaging with the culture, Prepare to Thrive is for you. It’s more than possible for students to enter the battlefield of modern education and emerge not only a Christian—but a stronger one.

## The Most Reluctant Convert (DVD)

Experience C.S. Lewis' profound journey from vigorous debunker of Christianity to become, as he said, "the most reluctant convert in all England." Through Max McLean's detailed and masterful performance, Lewis' story of grief, loss and redemption comes to life on screen in his own magnificent words. Filmed in and around Oxford, England, featuring Nicholas Ralph (All Creatures Great and Small) and directed by double BAFTA winner Norman Stone (BBC's Shadowlands).
